14 Call-In Of Decisions

14.1 Call-in is one of a range of tools that scrutiny can use to influence decision-making.

14.2 Members appointed to the Y&NYCA's Scrutiny Committee have the power to call-in: The decisions made by:

- a. York and North Yorkshire Combined Authority (Y&NYCA)
- b. York and North Yorkshire Elected Mayor (for decisions relating to their general functions only but excluding fire and rescue functions) The decisions made under delegated powers by:
 - c. A Member of the Y&NYCA exercising delegated mayoral general functions
 - d. A Committee of the Y&NYCA
 - e. A Committee established by the Mayor to exercise mayoral general functions. and key decisions made under delegated powers by:
 - f. Officers of the Y&NYCA, (as set out in Part 3 Section F of the Constitution).

14.3 When the Y&NYCA or any of its committees (with delegated decision-making powers), makes a decision; or when the mayor makes decision relating to their mayoral general functions, a decision notice will be published which sets out the decision(s) that have been made. This notice will also be made available at the offices of the Y&NYCA. The decision notice should be usually published within working 2 days of the decision being made.

14.4 It is the responsibility of the Secretary to send electronic copies of the records of all such decisions to all members of the Y&NYCA and all members of the Y&NYCA's overview and scrutiny committee and any scrutiny sub committees (if established). This notice will enable members of the scrutiny committee to review the decisions that have been made and consider whether they would like any further information about them.

14.5 Each decision notice will bear the date on which they are published and will specify the date that the decision will come into force. Decisions may be

implemented from 4.00 pm on the fifth day after the day on which the decision was published, unless before that time three members of the committee decide to call it in. The members must give notice in writing to the Head of Paid Service that they wish to call-in the decision, stating their reason(s) why the decision should be scrutinised.

- 14.6 The period between the publication of the decision notice and the time a decision may be implemented is the call-in period. The diagram below illustrates

Decision Making Timeline

NOTE: For Key Decisions there is an additional requirement to publish an intention to make a decision on the Register of Key Decisions 28 clear days in advance (in practice this means 30 days)

- 14.7 A decision may not be called in if the overview and scrutiny committee has already made recommendations to the decision-maker and those recommendations have been accepted by the decision-maker either in whole or without significant addition or modification.

14.8 Budget Scrutiny

Provided that the views and recommendations (if any) of the Y&NYCA Overview & Scrutiny Committee on the proposals for the Transport levy and statutory contributions, non-mayoral Y&NYCA Budget, Mayor's draft General Budget and Mayoral combined authority precept have been formally reported to both the Mayor and the Y&NYCA and considered by them, the decisions of the Y&NYCA to set the annual budgets, levies and precept shall not be susceptible to call in. A report shall be provided to the next suitable meeting of the Y&NYCA Overview & Scrutiny Committee if its recommendations are not substantially accepted.

15 Call-in Procedure

- 15.1 The purpose of call in is to give the overview and scrutiny committee the opportunity to consider whether they should ask the decision maker to review their decision. If three members of the overview and scrutiny committee request to call-in a decision the Head of Paid Service must notify the relevant decision-maker of the call-in except where paragraph 16.4 applies.

- 15.2 The Head of Paid Service must then convene a meeting of the overview and scrutiny committee on such date as they may determine, where possible after consultation with the chair of the overview and scrutiny committee.
- 15.3 The meeting must be convened within ten working days of the decision to call-in. If it is not possible to convene a quorate scrutiny meeting within this period such a meeting must instead be convened as soon as practicable to consider the call in. The decision-maker will have the right to attend the meeting to explain the reasons for the decision and to answer questions at the meeting. At the scrutiny meeting in which the call-in is reviewed the overview and scrutiny committee will consider the reasons for call-in and the decision-maker's response to any questions the committee may agree to. The committee may decide to:
- a. Make no recommendations (in which case the decision will stand and may be implemented with immediate effect); or
 - b. Refer the matter back to the decision-maker with a recommendation that the decision-maker: changes aspects of the decision; reconsiders the decision in light of the committee's views; or does something else before the final decision is made.
- 15.4 If a decision is referred by a meeting of the overview and scrutiny committee the decision-maker must reconsider the original decision before adopting a final decision. After reconsidering their decision, the decision maker must write to the overview and scrutiny committee and set out if they have amended their decision or explain the reasons why their decision stands.

16 Urgent decisions: Call-in

- 16.1 In York & North Yorkshire the grounds for a decision to be considered as urgent (and therefore not subject to call-in) are that if any delay likely to be caused by the calling in process would seriously prejudice the legal or financial position of the Y&NYCA or the constituent councils, or the interests of the residents of York and North Yorkshire.
- 16.2 The chair of the overview and scrutiny committee must agree both that the making of the decision is urgent, cannot reasonably be deferred and that it can be treated as a matter of urgency. In the absence of the chair of the overview and scrutiny committee, the chair of the Y&NYCA must agree the grounds of urgency, or in the absence of the chair of the Y&NYCA, the vice chair of the Y&NYCA may agree the grounds for urgency.
- 16.3 As soon as agreement has been obtained by the decision maker that the making of the decision is urgent the decision maker must publish a notice in its offices and on its website which states the reason why the decision is urgent and cannot reasonably be deferred.

- 16.4 Where a decision is exempted from call-in it will become effective immediately or (if later) as soon as the agreement of the chair of the overview and scrutiny committee (or of the chair or vice chair of the Y&NYCA) has been obtained.
- 16.5 Decisions taken as a matter of urgency must be reported to the next meeting of the Y&NYCA, together with the reasons for urgency.
- 16.6 The operation of the provisions relating to call-in and urgency shall be monitored annually, and a report submitted to the Y&NYCA with proposals for review if necessary.

17 Scrutiny Officer

- 17.1 The Y&NYCA must designate one of its officers as the scrutiny officer of the overview and scrutiny committee(s) to discharge the following functions:
- (a) to promote the role of the overview and scrutiny committee(s);
 - (b) to provide support and guidance to the overview and scrutiny committee(s) and to members of such committees; and
 - (c) to provide support and guidance to Members of the Y&NYCA and to the Mayor in relation to the functions of the overview and scrutiny committee(s).

DEFINITIONS

A BRIEF GUIDE TO CONTRACT PROCUREMENT RULES AND GRANT RULES

1. These Contract Procurement Rules (issued in accordance with section 135 of the Local Government Act 1972), are intended to promote good purchasing practice (including the delivery of social value and the application of ethical procurement principles) and public accountability and deter corruption.
2. Officers responsible for purchasing must comply with these Contract Procedure Rules. They lay down minimum requirements and a more thorough procedure may be appropriate for a particular contract. (For example, if Rule 8.1 would normally require that quotes be obtained, it might be appropriate in particular circumstances to seek additional quotations in writing or tender submissions).
3. For the purposes of these rules, where there is a requirement for communication to be in writing, this shall be deemed to include electronic as well as hard copy.
4. Key considerations for officers engaged in purchasing works, goods and services include:
 - Follow the rules if you purchase goods or services or order building work;
 - Take all necessary legal, financial and professional advice;
 - Declare any personal financial interest in a contract. Corruption is a criminal offence;
 - Conduct any Best Value review and appraise the purchasing need;
 - Check whether there is an existing Y&NYCA Contract, OGC Buying Solutions/Crown Commercial Service agreement, AGMA and other joint purchasing arrangements you can make use of before undergoing a competitive process;
 - Normally allow at least four weeks for submission of bids (not to be submitted by email unless allowed for in the Invitation to Tender documents);
 - Keep bids confidential;
 - Complete a written contract or Y&NYCA order before the supply or works begin;
 - Identify a contract manager with responsibility for ensuring the contract delivers as intended;
 - Keep records of dealings with suppliers;
 - Assess each contract afterwards to see how well it met the purchasing need and Value for Money requirements.
5. Y&NYCA is committed to meeting needs for goods, services and works in a way that achieves value for money on a whole life basis in terms of generating benefits to society and the economy of York and North Yorkshire whilst maximising environmental sustainability.

CONTRACTS OR GRANTS

Distinguishing between a contract and a grant

It is important to distinguish whether obligations arise as a result of a grant or a contract because different legal frameworks apply to grants and to contracts. The description given to the relationship by the parties will not necessarily be decisive. The outcome will depend on all the circumstances.

There is no one factor that determines whether an arrangement is a grant agreement or a contract. The arrangement must be considered as a whole.

The question of whether an obligation arises as a result of a grant or a contract is one that affects state entities providing funds, usually to not-for-profit or third sector organisations (which can include charities), to facilitate outcomes.

NB – Advice can be obtained from the Procurement Section

Contract

Usually, a contract will be entered into following a procurement process (often an Invitation to Tender or Request for Quotation):

The provider will be contractually bound to provide the services, works or goods.

The commissioner will be contractually bound to pay the provider for the services, works or goods.

There will be a detailed specification drawn up to meet the Y&NYCA's requirements setting out the services the provider is to carry out the works to be performed or the goods to be provided.

There will be, among others, provisions in the contract:

- setting out what happens if either party does not comply with the terms of the contract;
- determining what will happen if the contract is terminated; and
- dealing with whether the provider can subcontract the services or the provision of the works or goods.

Breach of Contract

A breach of contract occurs whenever a party fails to perform a contractual duty as required by its terms. The principal remedy in English law for breach of contract is an award of damages.

Grant

A grant is a gift of funds for a specific purpose. Under a grant agreement, the funder makes a payment to the recipient for a specific purpose. The recipient is not obliged to deliver any goods or services to the funder (so no liability for damages will arise by the recipient failing to perform),

although the funder may claw back grant which has not been spent for that specific purpose or is misapplied.

Usually, under a grant agreement:

- The funder will give money to the recipient to assist it to meet the recipient's objectives. The funds are to be used to undertake activities that are not being undertaken for the direct benefit of the Y&NYCA.
- The recipient organisation has the choice of either undertaking the funded services or activities or handing back the money without incurring further costs.
- The only material obligation placed on the Y&NYCA under the grant agreement will be to pay the grant to the recipient.

* The recipient organisation must return any unspent grant to the Y&NYCA.

A grant agreement may not be suitable, for example, where the Y&NYCA has a statutory duty to provide a service as a grant agreement would not secure the delivery of the services because the organisation is not contractually bound to provide services to the Y&NYCA.

Breach of Grant Agreement

Grant agreements normally enable the funder to withhold or suspend payment of the grant and/or require repayment of all or part of the grant if the recipient organisation:

- Misuses the grant
- Fails to comply with the terms and conditions of the grant agreement
- Acts negligently in delivering the project
- Obtains duplicate funding from a third party
- Provides the funder with misleading or inaccurate information
- Commits fraud or bribery
- Ceases to operate, is wound up, dissolved or becomes insolvent

Contracting authorities as grant recipients

Contracting authorities which receive grant monies to fund contracts will be subject to the procurement rules in terms of how they spend that grant. A failure to comply may result in grant funding being clawed back.

- Goods are to be bought at auction and the Y&NYCA's best interest will be served by purchase through auction and has agreed an upper limit for bids; or
- Only one contractor can provide the goods, services or works required and there is no reasonable alternative contractor; or

9.1 The Officer responsible for the purchase:

- may consult potential suppliers prior to the issue of the Invitation to Tender in general terms about the nature, level and standard of the

supply, contract packaging and other relevant matters, provided this does not prejudice any potential Candidate, but

- must not seek or accept technical advice on the preparation of an Invitation to Tender or Quotation from anyone who may have a commercial interest in them, if this may prejudice the equal treatment of all potential Candidates or distort competition.

10. STANDARDS AND AWARD CRITERIA

10.1 The Officer must ascertain the standards necessary to properly describe the subject matter of the contract having regard to any relevant British, European or international standards.

10.2 The Officer must define Award Criteria that are appropriate to the purchase and designed to secure an outcome giving Value for Money for the authority. The basic criteria shall be one of the following:

- 'most economically advantageous', where considerations of quality, price, social value and other relevant factors apply, or
- 'lowest price' where payment is to be made by the Y&NYCA (provided that lowest price is not permissible under the Statutory Procedure),

If the first criterion is adopted (most economically advantageous) it must be further defined by reference to sub-criteria which may refer only to relevant considerations. These may include price, service, quality of goods, running costs, technical merit, previous experience, delivery date, cost effectiveness, quality, relevant social value and environmental considerations, aesthetic and functional characteristics (including security and control features), safety, after-sales services, technical assistance and any other relevant matters.

Supplier suitability assessment questions may also be asked by the Y&NYCA provided such are relevant to the subject matter of the procurement, are proportionate and are used to assess whether candidates meet requirements or minimum standards of suitability, capability, legal status and financial standing. Officers shall have regard to the Purchasing Guidance when defining the Award Criteria.

10.3 Award Criteria must not include:

- Non-Commercial Considerations that are prohibited under UK law

NB - This does not prevent the Y&NYCA from exercising any function with reference to a non-commercial matter to the extent that it is necessary or expedient to do so to enable or facilitate compliance with a duty imposed on the Y&NYCA by section 1 of the Public Services (Social Value) Act 2012.

11. INVITATIONS TO TENDER/QUOTATIONS

- 11.1 The Invitation to Tender shall state that the Y&NYCA reserves the right to reject a Tender that is not received by the date and time stipulated in the Invitation to Tender. No Tender delivered in contravention of this requirement shall be considered without the Section 73 Officer' prior approval and shall not be considered under any circumstances when it is received after the other Tenders have been opened.
- 11.2 All Invitations to Tender shall include the following:
- 11.2.1. A specification that describes the Y&NYCA's requirements in sufficient detail to enable the submission of competitive offers.
 - 11.2.2. A requirement for tenderers to declare that the Tender content, price or any other figure or particulars concerning the Tender have not been disclosed by the tenderer to any other party (except where such a disclosure is made in confidence for a necessary purpose).
 - 11.2.3. A requirement for tenderers to complete fully and sign all Tender documents including a form of Tender and certificates relating to canvassing and non-collusion.
 - 11.2.4. Notification that Tenders are submitted to the Y&NYCA on the basis that they are compiled at the tenderer's expense.
 - 11.2.5. A description of the Award Procedure and, unless defined in a prior advertisement, a definition of the Award Criteria in objective terms.
 - 11.2.6. Unless the Tender is sought in accordance with an electronic tendering process which is approved by the Section 73 Officer and Monitoring Officer and/or which is permitted by the Invitation to Tender documents, a statement that any Tenders submitted by fax or other electronic means shall not be considered.
- 11.3 All Invitations to Tender or Quotations must specify the goods, service or works that are required, together with the terms and conditions of contract that will apply (see Rule 18).
- 11.4 The Invitation to Tender or Quotation may state that the Y&NYCA is not bound to accept any Quotation or Tender.

12. SHORTLISTING

- 12.1 Shortlisting for contracts or agreements which are not subject to the Statutory Procedure may only be undertaken where permitted by UK law. Special rules apply to short listing for contracts or agreements which are subject to the Statutory Procedure, and these are set out in the Statutory Procedure.

13. SUBMISSION, RECEIPT AND OPENING OF TENDERS / QUOTATIONS

- 13.1 Candidates must be given an adequate period in which to prepare and submit a proper Quotation or Tender, consistent with the complexity of the contract requirement. Normally at least four weeks should be allowed for submission of Tenders. The Statutory Procedure lays down specific time periods (see guidance in the Purchasing Guidance).
- 13.2 All Tenders must be returned in accordance with the Invitation to Tender.
- 13.3 Tenders received by any means (e.g., email) other than the electronic tendering process approved by the Section 73 Officer and Monitoring Officer must be rejected.
- 13.4 Each Tender must be:
- suitably recorded to verify the date and precise time it was received
 - adequately protected on receipt to guard against amendment of its contents

14. CLARIFICATION PROCEDURES

- 14.1 Providing clarification of an Invitation to Tender to potential or actual Candidates or seeking clarification of a Tender, whether in writing or by way of a meeting, is permitted. However, discussions with tenderers after submission of a Tender and before the award of a contract with a view to obtaining adjustments in price, delivery or content (i.e., post-tender negotiations) are the exception rather than the rule. In particular, they must not be conducted in a Statutory Procedure where this might distort competition, especially with regard to price.

15. EVALUATION

- 15.1 Apart from the debriefing required or permitted by these contract procedure rules, the confidentiality of Quotations, Tenders and the identity of Candidates must be preserved at all times and information about one Candidate's response must not be given to another Candidate.
- 15.2 Contracts must be evaluated and awarded in accordance with the Award Criteria. During this process, Officers shall ensure that submitted Tender prices are compared with any pre-tender estimates and that any discrepancies are examined and resolved satisfactorily.
- 15.3 The arithmetic in compliant Tenders must be checked. If arithmetical errors are found they should be notified to the tenderer, who should be requested to confirm or withdraw their Tender. Alternatively, if the rates in the Tender, rather than the overall price, were stated within the Invitation to Tender as being dominant, an amended Tender price may be requested to accord with the rates given by the tenderer.

16. POST TENDER NEGOTIATIONS

- 16.1 Post tender negotiations under the Statutory Procedure can only be undertaken on the grounds allowing for such specified in the Statutory Procedure. For all other procedures if post-tender negotiations are necessary after a single-stage Tender process or after the second stage of a two-stage Tender process, then such negotiations shall only be undertaken with the tenderer who is identified as having submitted the best Tender and after all unsuccessful Candidates have been informed. During negotiations tendered rates and prices shall only be adjusted in respect of a corresponding adjustment in the scope or quantity included in the Tender documents. Officers appointed by the Chief Officer to carry out post-tender negotiations should ensure that there are recorded minutes of all negotiation meetings and that both parties agree actions in writing.
- 16.2 Post-tender negotiation must only be conducted in accordance with the guidance issued by the Monitoring Officer who, together with the Section 73 Officer, must be consulted wherever it is proposed to enter into post-tender negotiation.
- 16.3 Where post-tender negotiation results in a fundamental change to the specification (or contract terms) the contract must not be awarded but re-tendered.

17. AWARD OF CONTRACTS AND FRAMEWORK AGREEMENTS AND DEBRIEFING CANDIDATES

- 17.1 The Officer may accept quotations, tenders and bids received up to £50,000.00 in value in respect of proposed contracts and Framework Agreements, provided that they have been sought and evaluated fully in accordance with these contract procurement rules, and that budget provision is available.
- 17.2 The Officer may accept tenders or bids received:
- 17.2.1. in consultation with the relevant Director over £50,000 and up to £100,000 in value, and
- 17.2.2. in consultation with the Section 73 Officer over £100,000 and up to £250,000 in value
- in respect of proposed contracts and Framework Agreements, provided they have been sought and evaluated fully in accordance with these contract procurement rules and, in respect of proposed contracts and Framework Agreements that are expected to exceed £250,000 (relating to either expenditure or income) with the additional approval of the Section 73 Officer.
- 17.3 For contracts and Framework Agreements subject to the Statutory Procedure, the Officer must notify all Candidates simultaneously and as soon as possible of the intention to award the contract or Framework Agreement to the successful Candidate and provide information required by the Statutory Procedure specifying the name(s) of the successful Candidate(s), the award criteria and the reasons for the decision including the score of the Candidate being debriefed and the successful Candidate(s) and the characteristics and relative advantages of

the successful tender. The Officer must provide unsuccessful Candidates with a period of at least ten days in which to challenge the decision before the Officer awards the contract or Framework Agreement. If the decision is challenged by an unsuccessful Candidate, then the Officer shall not award the contract or Framework Agreement and shall immediately seek the advice of the Monitoring Officer. The requirement to notify candidates of the intention to award a contract or Framework Agreement in this Rule 17.3 does not apply to:

- contracts and Framework Agreements that are not subject to the Statutory Procedure (such as social and other specific services listed under the Statutory Procedure, or where the value is under the Statutory Threshold) and
- contracts subsequently called off and awarded based on a Framework Agreement that was let in accordance with the Statutory Procedure

17.4 If a Candidate requests in writing the reasons for a Contracting Decision relating to an unsuccessful Quotation or Tender it has submitted, the Officer must give in writing the name(s) of the successful Candidate(s), the award criteria and the reasons for the decisions including the score of the candidate being debriefed and the successful Candidate(s) and the characteristics and relative advantages of the successful tender.

A. Member Model Code of Conduct

1. Definitions

1.1 For the purposes of this Code of Conduct, a “member” means a member including the directly elected Mayor and substitute members, a co-opted member of the Y&NYCA including councillors from York and North Yorkshire Councils appointed to roles in which they act on behalf of the Y&NYCA. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who:

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority

1.2 For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

2. General principles of Member Conduct

2.1 Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the Seven Principles of Public Life, also known as the Nolan Principles.

2.2 Building on these principles, the following general principles have been developed specifically for the role of councillor.

2.3 In accordance with the public trust placed in me, on all occasions:

- a) I act with integrity and honesty
- b) I act lawfully
- c) I treat all persons fairly and with respect; and
- d) I lead by example and act in a way that secures public confidence in the role of councillor.

2.4 In undertaking my role:

- a) I impartially exercise my responsibilities in the interests of the local community
- b) I do not improperly seek to confer an advantage, or disadvantage, on any person
- c) I avoid conflicts of interest
- d) I exercise reasonable care and diligence; and
- e) I ensure that public resources are used prudently in accordance with my local authority’s requirements and in the public interest.

3. Application of the Code of Conduct

3.1 This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of Mayor or are appointed as a member and continues to apply to you until you cease to hold office/be a member of the Y&NYCA.

3.2 This Code of Conduct applies to you when you are acting in your capacity as a member which may include when:

- a) you misuse your position as a member
- b) your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a member

3.3 The Code applies to all forms of communication and interaction, including:

- a) at face-to-face meetings
- b) at online or telephone meetings
- c) in written communication
- d) in verbal communication
- e) in non-verbal communication
- f) in electronic and social media communication, posts, statements and comments

3.4 You are also expected to uphold high standards of conduct and show leadership at all times when acting as a member.

3.5 Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct.

4. Standards of Member Conduct

4.1 This section sets out your obligations, which are the minimum standards of conduct required of you as a member. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

5. General Conduct

5.1 The general conduct guidance follows below:

1. Respect

As a member:

1.1 I treat other members and members of the public with respect.

1.2 I treat Y&NYCA employees, employees and representatives of partner organisations and those volunteering for the Y&NYCA with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a member, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in members/councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the Y&NYCA, the relevant social media provider or the police. This also applies to fellow members, where action could then be taken under the Member Code of Conduct, and Y&NYCA employees, where concerns should be raised in line with the Y&NYCA's member - officer protocol.

2. Bullying, harassment and discrimination

As a member:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Members have a central role to play in ensuring that equality issues are integral to the Y&NYCA's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3. Impartiality of officers of the Y&NYCA

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the Y&NYCA

Officers work for the Y&NYCA as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a member:

4.1 I do not disclose information:

- a. given to me in confidence by anyone**
- b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - i) I have received the consent of a person authorised to give it;**
 - ii) I am required by law to do so;**
 - iii) the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv) the disclosure is:**
 - 1. reasonable and in the public interest; and**
 - 2. made in good faith and in compliance with the reasonable requirements of the Y&NYCA, and**
 - 3. I have consulted the Monitoring Officer prior to its release.**

4.2 I do not improperly use knowledge gained solely as a result of my role as a member for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that

discussions, documents and other information relating to or held by the Y&NYCA must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a member, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other members and/or the Y&NYCA and may lower the public's confidence in you or the Y&NYCA's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring the Y&NYCA into disrepute.

You can hold the Y&NYCA and fellow members to account and are able to constructively challenge and express concern about decisions and processes undertaken by the Y&NYCA whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a member:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the Y&NYCA provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of Y&NYCA resources and facilities

As a member:

7.1 I do not misuse Y&NYCA resources.

7.2 I will, when using the resources of the Y&NYCA or authorising their use by others:

a. act in accordance with the Y&NYCA's requirements; and

b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the Y&NYCA or of the office to which I have been elected or appointed.

You may be provided with resources and facilities by the Y&NYCA to assist you in carrying out your duties as a member.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of Y&NYCA/local authority buildings and rooms.

These are given to you to help you carry out your role as a member more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the Y&NYCA's own policies regarding their use.

8. Complying with the Code of Conduct

As a member:

- 8.1 I undertake Code of Conduct training provided by the Y&NYCA.**
- 8.2 I cooperate with any Code of Conduct investigation and/or determination.**
- 8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.**
- 8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.**

It is extremely important for you as a member to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the Y&NYCA or its governance. If you do not understand or are concerned about the Y&NYCA's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9. Interests

As a member:

- 9.1 I register and disclose my interests.**

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, Y&NYCA employees and fellow members know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises.

The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other members when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011. **Section 7 (below)** sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a member:

10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the Y&NYCA or from persons who may apply to the local authority for any permission, licence or other significant advantage.

10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £100 within 28 days of its receipt.

10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.

To protect your position and the reputation of the Y&NYCA, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a member. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case, you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a member, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a member. If you are unsure, do contact your Monitoring Officer for guidance.

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias. Accountability Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B - Registering Interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

“Disclosable Pecuniary Interest” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the member, or a person connected with the member, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees, they will withhold the interest from the public register.

Non-participation in case of disclosable pecuniary interest

4. Where you have a Disclosable Pecuniary Interest, as set out in Table 1, in any matter to be considered or being considered at a meeting, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.

Disclosure of Other Registerable Interests

5. Where a matter arises at a meeting which directly relates to the financial interest or wellbeing of one of your Other Registerable Interests (**as set out in Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

6. Where a matter arises at a meeting which directly relates to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise, you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
7. Where a matter arises at a meeting which affects –
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a relative or close associate; or
 - c. a financial interest or wellbeing of a body included under Other Registrable Interests as set out in **Table 2**;

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied.

8. Where a matter (referred to in paragraph 8 above) affects the financial interest or well-being:
 - a) to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - b) a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise, you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

9. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. This table sets out the explanation of Disclosable Pecuniary Interests as set out in the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012.

SECTION B: GIFTS AND HOSPITALITY GUIDANCE FOR MEMBERS

1 General Introduction

- 1.1 The Code of Conduct requires Members to notify the Monitoring Officer in writing of any gift or hospitality they receive which may be to the value of £100 or more. It is also a breach of the Code to act in such a way as to bring the Y&NYCA into disrepute or for a member to use their position as a member of the Y&NYCA improperly to confer on or secure for themselves or any other person advantage or disadvantage.
- 1.2 The following guidance aims to assist members in complying with the Code of Conduct for Members but it also goes beyond these basic provisions and seeks to provide wider guidance so members can avoid any situation where their integrity may be brought into question as a result of gifts and hospitality.
- 1.3 The Audit and Governance Committee will review this guidance every two years, unless new legislation requires the guidance to be updated before the next scheduled review.

2 Legal Position

- 2.1 The Bribery Act 2010 provides that it is a criminal offence for a Member to request, agree to receive, promise, offer or give any gift, loan, fee, reward or advantage for doing anything or showing favour or disfavour to any person in their official capacity. It is for the Member to demonstrate that any such rewards have not been corruptly obtained.

3 Gifts and Hospitality

- 3.1 Members are advised to treat with extreme caution any offer or gift, favour or hospitality that is made personally to them. The person or organisation making the offer may be doing business or seeking to do business with the Y&NYCA or may be applying to the Y&NYCA for some sort of decision in respect of which it is imperative that the member's independence should not be compromised.
- 3.2 The following rules should be applied: Other than the exceptions listed in (b) below a member should refuse any gift offered to them or to an immediate relative of the member, by any person who has or may seek to have dealings with the Y&NYCA. It is recommended that members should notify the Monitoring Officer of all such refusals as soon as reasonably practicable regardless of the value of the offered gift (unless the gift falls within I or II below). The Monitoring Officer will maintain the register for this purpose.
- 3.3 The exceptions where it may be appropriate to accept a gift are set out below. Members should note that the Code of Conduct for Members requires all gifts and hospitality of one hundred pounds or more to be notified to the Monitoring Officer, who will maintain a register for this purpose.

- 3.4 The gift is of purely token, advertising value given to a wide range of people, e.g., pens, key rings and other promotional items. As such promotional gifts will usually be less than one hundred pounds in value generally there will be no need to register but in cases of doubt members should err on the side of caution and register the gift.
- 3.5 A small gift where refusal would cause needless offence and the giver is not currently seeking a decision or business from the Y&NYCA. If such gifts are of a small value generally there will be no need to register but in cases of doubt members should err on the side of caution and register the gift.
- 3.6 Cash or monetary gifts should always be refused without exception and the refusal notified to the Monitoring Officer as set out above.
- 3.7 Gifts given as prizes at exhibitions, conferences, seminars etc. as part of a free raffle or draw may be accepted but they belong to the Y&NYCA and should be registered with the Monitoring Officer as soon as reasonably practicable (notwithstanding that their value may be less than £100 as specified in the Code). The Monitoring Officer in consultation with the chair of the Audit and Governance Committee will determine whether it is appropriate to retain the gift in question.
- 3.8 Whilst it may be acceptable to accept a token or small gift on one occasion members should refuse repeated gifts, even if these are individually not of a significant value.

4 Hospitality

- 4.1 It is increasingly the case that private companies offer hospitality e.g., free drinks, tickets to shows or hotel accommodation to persons with whom they do business or with whom they hope to do business in the future. Such hospitality could convey the impression that members' judgment would be influenced. It would however be too rigid to say that no hospitality can be accepted. Members are reminded that any hospitality of one hundred pounds or more is required by the Code of Conduct to be registered. However, members may wish to notify the Monitoring Officer of hospitality offered but refused and hospitality which is less than the one hundred pounds limit specified in the Code.
- 4.2 Some examples of hospitality which may be acceptable follow, but much may depend on the circumstances, for example who is providing the hospitality, why the member is there and the nature of the dealings between the Authority, the member and the provider of the hospitality:
- i. A working meal provided to allow parties to discuss or continue to discuss business.
 - ii. An invitation to attend a dinner or function of a Society, Institute or other non-commercial body with whom the Y&NYCA has contact.
 - iii. Invitations to attend functions where the member represents the Y&NYCA (opening ceremonies, public speaking events, conferences).

5 Unacceptable Hospitality

5.1 The following are examples of unacceptable hospitality:

- i. Holidays, including accommodation and travel arrangements
- ii. Offers of theatre tickets for the member and their family or free travel
- iii. Personal invitations for evenings out with representatives from a company or firm who have dealings with the Y&NYCA or who are likely to have dealings in the future.

5.2 Members are again urged to err on the side of caution and if in any doubt as to the integrity of the offer / invite the member should consult the Monitoring Officer or refuse.

6 Notifications

6.1 Notifications of gifts and hospitality should be sent to the Head of Paid Service who will administer the register on behalf of the Monitoring Officer.

6.2 A form for this purpose is available from the Head of Paid Service.

7 The Register

7.1 The Register referred to in this protocol will be subject to scrutiny by the Audit and Governance Committee and regular inspection by the Monitoring Officer, Internal Audit. The Register of Gifts and Hospitality of £100 or more should be available for public inspection. For consistency registrations as regards gifts & hospitality offered and refused, or gifts and hospitality of a value less than one hundred pounds will also be available for public inspection.

8 Gifts Which Cannot Be Retained

8.1 Where the Monitoring Officer in consultation with the Chair of the Standards Committee determines that it would not be appropriate for a member to retain a gift, that gift will be returned, utilised by the Y&NYCA or otherwise donated to an appropriate charitable organisation as determined appropriate by the Monitoring Officer and Chair of the Audit and Governance Committee.

9 Advice and Sanctions

9.1 Members are advised to seek the advice of the Monitoring Officer in cases where their position is unclear. Breaches of this guidance may result in a breach of the Code of Conduct for members.

9.2 Breaches of this guidance which do not result in a breach of the Code of Conduct will be reported by the Monitoring Officer to the Audit and Governance Committee.

6.1. Elected Members have a key role to play in the governance and management of the Y&NYCA. Both Officers and Elected Members are public servants and indispensable to one another in ensuring efficient and effective government.

Mutual respect between officers and elected members of the Y&NYCA are essential to good local government.

6.2. It is essential that elected members and officers conduct their relationship with mutual respect and courtesy and that both parties avoid seeking to exert undue influence over the other. Additionally, close personal familiarity can damage the

relationship and prove embarrassing to both colleagues and elected members and should be avoided.

- 6.3. Whether or not an employee's post is politically restricted, they must follow every lawfully expressed policy of the Y&NYCA and not allow their personal or political opinions to interfere with their work. Where they are required to give advice to elected members and colleagues, it should be done with impartiality except in circumstances where posts are political appointments and/or the level of political restriction applied is varied by regulations.

9. PROPRIETY IN FINANCIAL/PROCUREMENT MATTERS

- 9.1. Contracts and Contractors

An employee must not seek or accept any gift or personal inducement in connection with the procurement of works, goods or services.

9.2. Relationships

Employees should inform their manager about relationships of a business, private or personal nature with external contractors or potential contractors. If involved in the tendering process, they should ensure that it is open and above board, observing the rules related to separation of roles during tendering.

9.3. Sponsorship

Where the Y&NYCA wishes to sponsor an event, employees must ensure that they, their partner, or relative do not benefit in any way from such sponsorship without full disclosure to their manager or the Monitoring Officer.

9.4. Hospitality/Gifts

Invitations to social or sporting events should be accepted only where the Y&NYCA should be seen to be represented and with authorisation of the Head of Service. If the employee does accept hospitality, they should be mindful of all the circumstances. They should get advance authority and keep a record of such occasions and ensure that it is recorded on the Y&NYCA 's hospitality register. They should not accept any significant personal gifts from contractors and outside suppliers.

10. **DECLARATION OF INTERESTS**

10.1. Employees should not subordinate their duty to their private interests or put themselves in a position where duty and private interests' conflict. An employee must declare any financial interests which could conflict with the Y&NYCA 's interests to their manager or the Monitoring Officer. Non-financial interests should also be declared, where a conflict of interest could be involved e.g., membership of outside bodies in a personal capacity, other secondary employment, role as a volunteer with other organisations, any relevant convictions/offences that could impact on their employment.

10.2. Employees should be mindful not to place themselves in a situation where involvement in outside bodies could compromise their continuing professional duty to the interests of the Y&NYCA. When serving on outside bodies the employee will be expected to represent and promote the interests and policies of the Y&NYCA as circumstances dictate.

10.3. Employees should also declare membership of any organisation which is not open to the public, has no formal membership and has commitment of allegiance and which has secrecy about its rules, membership and conduct.

In all such circumstances, a declaration of interest must be made by the panel member.
- 11.3. Similarly, employees should not be involved in decisions relating to promotion or pay adjustments for any other employee who is a relative, partner, or close personal friend.

SECTION D MEMBER / OFFICER RELATIONS GUIDANCE

1 Introduction and Principles

- 1.1** The purpose of this guidance is to sets a framework for the conduct of member officer relations which will to ensure the smooth running of the business of the Y&NYCA. Its guidance should be heeded by Members of the Y&NYCA, its committees and joint committees and Officers of the Y&NYCA, and of constituent councils providing services to Y&NYCA, its committees and joint committees.
- 1.2** In this guidance, references to members of the Y&NYCA include references, where appropriate, to members of its committees and joint committees and, references to officers of the Y&NYCA include references where appropriate to officers of the constituent councils who provide services to the Y&NYCA, its committees and joint committees.
- 1.3** Given the variety and complexity of such relations, this guidance does not seek to be prescriptive or comprehensive. It simply offers guidance on some of the issues which most commonly arise. It is hoped, however, that the approach which it adopts to these issues will serve as a guide to dealing with other circumstances.
- 1.4** This guidance is a written statement of current practice and convention. It seeks to promote greater clarity and certainty. If the guidance is followed it should ensure that Members receive objective and impartial advice and that Officers are protected from accusations of bias and any undue influence from Members.
- 1.5** It also seeks to reflect the principles underlying the respective Codes of Conduct that apply to Members and Officers. The shared object of these codes is to enhance and maintain the integrity (real and perceived) of local government and the Codes, therefore, demand very high standards of personal conduct.
- 1.6** This guidance should be read in conjunction with the Members' and Employees' Codes of Conduct and any guidance issued by the Audit and Governance Committee and/or the Monitoring Officer.
- 1.7** This guidance relates to interactions and relations between Members and Officers both in-person and via digital and other means, including through Social Media.

2 General Points

- 2.1** Both Members and Officers are servants of the public and they are indispensable to one another. But their responsibilities are distinct. Members are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the Y&NYCA, its committees and joint committees. Their job is to give advice to Members and to carry out work under the direction and control of the Y&NYCA, its committees and joint committees.

- 2.2 At the heart of this guidance is the importance of mutual respect. Member/Officer relationships should be conducted in a positive and constructive way. Therefore, it is important that any dealings between Members and Officers should observe reasonable standards of courtesy and that neither party should seek to take unfair advantage of their position or seek to exert undue influence on the other party.
- 2.3 A Member should not raise matters relating to the conduct or capability of an Officer at meetings held in public or before the press. This is a long-standing tradition in public service as an Officer has no means of responding to such criticisms in public. If a Member feels they have not been treated with proper respect, courtesy or has any concern about the conduct or capability of an Officer, and fails to resolve it through direct discussion with the Officer, they should raise the matter with the Head of Paid Service of the Y&NYCA who will then look into the facts and report back to the Member.
- 2.4 An Officer should not raise with a Member matters relating to the conduct or capability of another Officer in a manner that is incompatible with the overall objectives of this policy. Such matters should be raised with the Officer's immediate line manager or the Head of Paid Service.
- 2.5 Nothing in this guidance shall prevent an officer expressing a relevant concern under the Y&NYCA's Whistle Blowing Policy.
- 2.6 Where an Officer feels that they have not been properly treated with respect and courtesy by a Member, they should raise the matter with the Head of Paid Service of the Y&NYCA who will take appropriate action including approaching the individual Member concerned or discussing the matter with the Monitoring Officer where they consider there may be a breach of the Members' Code of Conduct.

3 Officer Support to Members: General Points

- 3.1 Officers must act in the best interests of the Y&NYCA, its committees and joint committees as a whole and must not give politically partisan advice.
- 3.2 Members must respect the impartiality of officers and do nothing to compromise it, e.g., by insisting that an officer change their professional advice.
- 3.3 Close personal familiarity between individual Members and Officers can damage professional relationships and can prove embarrassing to other Members and Officers. Situations should be avoided therefore that could give rise to the appearance of improper conduct or behaviour.
- 3.4 Certain statutory officers – the Head of Paid Service of the Y&NYCA, the Section 73 Officer and the Monitoring Officer have specific roles. These are addressed in the Constitution. Their roles need to be understood and respected by all Members. Members are reminded of the duty under the Code of Conduct to have regard to any advice given by the Section 73 Officer or the Monitoring Officer.
- 3.5 The following key principles reflect the way in which Officers generally relate to Members:

- 3.6** Officers undertaking work for the Y&NYCA are accountable to the Y&NYCA through the Head of Paid Service.
- 3.7** Support from Officers is needed for all the Y&NYCA's functions. Day-to-day managerial and operational decisions should remain the responsibility of the Head of Paid Service of the Y&NYCA and other Officers.
- 3.8** On occasion, a decision may be reached which authorises named Officers to take action between meetings following consultation with a Member or Members. It should be recognised that in these circumstances it is the Officer, rather than the Member or Members, who legally takes the action and it is the Officer who is accountable for it. If this action is a key decision the officer must ensure that the procedures to publicly notify such decisions are followed as set out in the constitution.
- 3.9** Finally, it should be remembered that Y&NYCA Officers undertaking work for the Y&NYCA are accountable to the Head of Paid Service of the Y&NYCA and whilst Officers should always seek to assist a Member, they must not, in so doing go beyond the bounds of whatever authority they have been given by the Head of Paid Service.

4 Officer Advice to Party Groups

- 4.1** It must be recognised by all Officers and Members that in discharging their duties and responsibilities, Officers serve the Y&NYCA as a whole and not any political group, combination of groups or any individual Member of the Y&NYCA. The assistance provided by Senior Officers can take many forms ranging from a briefing meeting with a Member, Chair or other Members prior to a meeting, to a presentation, to a full political group meeting. It is an important principle that such assistance is available to all political groups and individual members.

5 Attendance at Party Political Group Meetings

- 5.1** There is now statutory recognition for 'party groups'. It is common practice for such groups to consider matters of Y&NYCA business in advance of such matters being considered by the relevant decision-making body. Senior Officers may properly be called upon to assist and contribute to such deliberations by party groups but must always maintain political neutrality. All Officers must, in their dealings with political groups and individual Members, treat them in a fair and even-handed manner.
- 5.2** Attendance at meetings of party groups is voluntary for Officers and must be authorised by the Head of Paid Service of the Y&NYCA.
- 5.3** Certain points must, however, be clearly understood by all those participating in this type of process, Members and Officers alike. In particular:
- i. Officer assistance must not extend beyond providing information and advice in relation to matters of Y&NYCA business. Officers must not be involved in advising on matters of party business. Internal party debates and decision making should take place in the absence of Officers.

- ii. Party group meetings, whilst they form part of the preliminaries to Y&NYCA decision making, are not formal decision-making bodies of the Y&NYCA and are not empowered to make decisions on behalf of the Y&NYCA. Conclusions reached at such meetings do not therefore rank as Y&NYCA decisions and it is essential that they are not interpreted or acted upon as such; and
- iii. Similarly, where Officers provide information and advice to a party group meeting in relation to a matter of Y&NYCA business, this cannot act as a substitute for providing all necessary information and advice to the relevant Y&NYCA decision making body when the matter in question is considered.

5.4 Special care needs to be exercised whenever Officers are involved in providing information and advice to a party group meeting which includes persons who are not Members of the Y&NYCA. Such persons are not bound by the Y&NYCA's Code of Conduct for Members (in particular, the provisions concerning the declaration of interests and confidentiality). Officers would not be able to provide the same level of information and advice as they would to a Member only meeting.

5.5 Officers must respect the confidentiality of any party group discussions at which they are present. When information is disclosed to an Officer during discussions with a party group that information should not be passed on to other groups. However, Members should be aware that this would not prevent officers from disclosing such information to other Officers of the Y&NYCA so far as that is necessary to performing their duties.

5.6 Any particular cases of difficulty or uncertainty in this area of Officer advice to party groups should be raised with the Head of Paid Service of the Y&NYCA who will discuss them with the relevant group leader(s).

6 Members' Access to Information and to Authority Documents

6.1 Members have various statutory and common law rights to inspect Y&NYCA documents. The rights of members to inspect Y&NYCA documents are set out in the constitution in the Access to Information Procedure rules. Members and Officers should both be mindful of their obligations under data protection legislation.

6.2 A Member must not disclose information given to them in confidence by anyone or information acquired which they believe is of a confidential nature, without the consent of a person authorised to give it, or unless they are required by law to do so and must not prevent another person from gaining access to information to which that person is entitled by law. A breach of these requirements is a breach of the code of conduct and actionable by way of complaint to the Y&NYCA's Audit and Governance Committee. If the breach is serious a civil action may be brought against the Member and / or the Y&NYCA for damages.

6.3 The Freedom of Information Act 2000 (FOIA) and Environmental Information Regulations 2004 brought additional rights and responsibilities regarding the disclosure of information. A 'publication scheme' has been produced by the Y&NYCA and is available on the information bar under Data Protection and FOI which appears on every page of the Y&NYCA's website.

7 Correspondence

- 7.1** Correspondence between an individual Member and an Officer should not normally be copied (by the Officer) to any other Member. Where it is necessary to copy the correspondence to another Member, this should be made clear to the original Member. In other words, a system of 'silent copies' should not be employed.
- 7.2** Official letters on behalf of the Y&NYCA should normally be sent in the name of the appropriate Officer, rather than in the name of a Member. It will, however, be appropriate in certain circumstances (e.g., representations to a Government Minister) for a letter to appear in the name of a Member or the Chair. Letters which, for example, create legal obligations or give instructions on behalf of the Y&NYCA should never be sent out in the name of a Member.

8 Publicity and Press Releases

- 8.1** In recent years, all authorities have increasingly used publicity to keep the public informed and to encourage public participation. The Government has issued a Code of Recommended Practice on Local Authority Publicity, and all local authorities must have regard to the provisions of any such Code in coming to any decision on publicity. Members and officers should note that during the election period special rules apply regarding local authority publicity.
- 8.2** Officers and Members of the Y&NYCA will, therefore, in making decisions on publicity, take account of the provisions of the Code of Recommended Practice on Local Authority Publicity and any further guidance issued by the Head of Paid Service of the Y&NYCA. If in doubt Officers and / or Members should seek advice from the Head of Paid Service or the Monitoring Officer.
- 8.3** All press releases are issued through the Head of Paid Service on behalf of the Y&NYCA. Press releases are not issued by the Y&NYCA on behalf of political groups. They can contain the comments of Members and Committee Chairs where they are speaking in connection with the roles given to them by the Y&NYCA. Officer's comments can be included on professional and technical issues.

9 Officer / Member Guidance Review and Interpretation

- 9.1** Monitoring compliance with this guidance is the responsibility of the Audit and Governance Committee and the Monitoring Officer. This guidance will be reviewed by the Audit and Governance Committee every two years, unless changes to legislation necessitate an update before the next scheduled review.
- 9.2** Questions of interpretation of this guidance will be determined by the Monitoring Officer.

SECTION E CODE OF CORPORATE GOVERNANCE

1 INTRODUCTION

- 1.1 This Code of Corporate Governance sets out the Y&NYCA governance standards. 'Corporate governance' describes how the Y&NYCA directs and controls what it does.
- 1.2 Good governance provides the conditions for the Y&NYCA and its partners to work effectively, economically and ethically. The Y&NYCA should carry out its functions in a way that demonstrates accountability, transparency, effectiveness, integrity, and inclusivity. Good governance will support the Y&NYCA to pursue its vision and secure its agreed objectives.
- 1.3 The Y&NYCA's governance framework comprises the legislative requirements, principles, management systems and processes – including the Y&NYCA's Constitution, Operating Agreement and Protocols – and cultures and values through which the Y&NYCA exercises its leadership, fulfils its functions, and by which it is held accountable for its decisions and activities.
- 1.4 This Code is a public statement that sets out the way in which the Y&NYCA and its attendant structures will fulfil these principles in practice and demonstrate its commitment to good corporate governance. The business of the Y&NYCA will be conducted in accordance with the Seven Principles of Public Life identified in The Nolan Committee Report (1995), namely: selflessness; integrity; objectivity; accountability; openness; honesty; and leadership.
- 1.5 This Code will be reviewed annually to ensure it continues to be fit for purpose and relevant. The Y&NYCA will review the effectiveness of its governance arrangements and internal control systems and publish the review outcomes in an annual governance review. These standards ensure the Y&NYCA is doing the right things, in the right way in a timely, inclusive, open, effective, honest and accountable manner.
- 1.6 The governance of the combined area of York and North Yorkshire is subject to a series of Parliamentary orders which continue to provide the legislative framework in which the Y&NYCA and the elected mayor operate.

2 What is Good Governance

- 2.1 [International Framework: Good Governance in the Public Sector](#) (CIPFA/IFAC) describes governance as the:

arrangements put in place to ensure that the intended outcomes for stakeholders are defined and achieved.... To deliver good governance in the public sector, both governing bodies and individuals working for [an authority] must try and achieve their authority's objectives while acting in the public interest at all times.

- 2.2 The diagram below illustrates the principles of good governance, which is seen as dynamic process involving continuous evaluation and review and

improvement. The following sections of this document describe how the Y&NYCA fulfils the requirements set out in the seven principles good governance described in the diagram.

3 BEHAVING WITH INTEGRITY, DEMONSTRATING STRONG COMMITMENT TO ETHICAL VALUES, AND RESPECTING THE RULE OF LAW.

- 3.1 The Y&NYCA fosters a culture of behaviour based on shared values, ethical principles and good conduct that is put into practice by members and officers alike.
- 3.2 The leadership of the Y&NYCA embodies these values and creates a climate of openness, support and respect that covers the whole organisation. It establishes, monitors and maintains the organisation's ethical standards and performance.
- 3.3 One of the challenges of working across the combined area of York and North Yorkshire is being clear about the relationships and roles between City of York and North Yorkshire Councils and the Y&NYCA.

Behaving With Integrity

- 3.4 The Y&NYCA is committed to maintaining its values and integrity and operates a whistle-blowing policy to ensure that individuals who draw attention to factors that compromise the Y&NYCA integrity are adequately protected and supported in doing so. The Policy is regularly updated to ensure that it remains up-to-date and is compliant with legislation. Information on how to report concerns can be located on both the external facing Y&NYCA website and the staff intranet.

Demonstrating Strong Commitment to Ethical Values

- 3.5 The leadership of the Combined Authority has put in place robust policies and procedures which put its values into practice; these include:
- 3.6 A Standards Committee, which is integrated into the Audit and Governance Committee, composed of elected Members and an independent co-opted member, with responsibility for promoting and maintaining high standards of conduct; assisting Members to observe the Member Code of Conduct; overseeing the Authority's Whistleblowing Policy and monitoring the Member/Officer Protocol.
- 3.7 A Member Code of Conduct and arrangements for determining allegations of a Member acting in breach of the Authority's Member Code of Conduct as required by the Localism Act 2011. The Code of Conduct is reviewed annually by the Audit and Governance Committee. In addition, the Fire Service Code of Ethics is adopted for all Fire and Rescue personnel.
- 3.8 A Code of Conduct for Officers which makes it clear what standards are expected from staff across the organisation in the performance of their duties.
- 3.9 A Register of Member's Interests records members' interests in other bodies or land or assets in the Combined Authority's area and also outlines the process for

registering gifts and hospitality. Each member's recorded register of interests can be found on their individual member pages on the Y&NYCA website.

- 3.10 Systems for reporting and dealing with any incidents of wrongdoing including fraud, corruption, bribery and money laundering.

Respecting the Rule of Law

- 3.11 The Y&NYCA has a Monitoring Officer who is a member of the Y&NYCA's Senior Management Team (SMT). The Monitoring Officer ensures that decisions are taken in a lawful and fair way and agreed procedures are followed and that all applicable statutes, regulations and procedure rules are complied with.
- 3.12 The Y&NYCA uses its legal powers to promote its values and priorities to the full benefit of the citizens and communities across York and North Yorkshire. The Y&NYCA has full regard to the extent of its powers and does not act beyond them, and will observe specific requirements in legislation as well as general responsibilities of public law.
- 3.13 The Y&NYCA's decision making process will adhere to the principles of good administrative law, respect human rights and demonstrate rationality, legality and natural justice.

Dealing With Breaches of Legal and Regulatory Power

- 3.14 The Y&NYCA appoints Statutory Officers that have the skills, resources and support necessary to perform effectively in their roles. These statutory officers include:

Head of the Paid Service (Chief Executive)
Monitoring Officer
Chief Finance Officer/Director of Resources (Section 73 officer)

- 3.15 The officers working on Y&NYCA business support these statutory officers as well as other key post holders and elected members to fulfil their responsibilities within legislative and regulatory requirements.

4 ENSURING OPENNESS AND COMPREHENSIVE STAKEHOLDER ENGAGEMENT

Openness

- 4.1 The Y&NYCA sets out its commitment to openness in this Code, the Constitution and Annual Governance Statement.
- 4.2 Decisions taken by the Y&NYCA subject to limited exemptions, are made in public, minuted (alongside the reasons and the evidence considered) and information relating to those decisions is made available to the public. This

includes access through live webcasts of the public part only of the Authority, Police Fire and Crime Panel and Overview and Scrutiny meetings which remain online for six months.

- 4.3 The Authority ensures that, subject to limited exemptions, its most significant decisions are recorded and that information relating to such decisions is made available to the public. The Authority publishes its intention to take key decisions through the Y&NYCA's Register of Key Decision's which is published monthly along with Y&NYCA's papers. Decisions taken at each meeting of the Y&NYCA are published on the web page relating to that meeting and are also circulated by email to members of the Y&NYCA Scrutiny Committee(s).
- 4.4 The Y&NYCA has established one overview and scrutiny committee. The overarching purpose of this structure is to improve the quality of decisions made by the Y&NYCA and elected Mayor. The committees will do this by:
- Reviewing the work and decisions of the Y&NYCA and the elected Mayor, and
 - By acting as a critical friend in the development of policy and new work streams.
- 4.5 The Y&NYCA's approach is consistent with the requirements of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012. The Authority holds its key meetings in public with the agenda and public reports available on the Y&NYCA's website. However, certain exclusions apply where there is a need to comply with confidentiality laws. The Authority informs, consults and involves residents in significant decisions and their views are submitted to those making decisions for consideration.
- 4.6 The York and North Yorkshire Combined Authority Order 2023 transferred all property, rights and liabilities of the former Police and Crime Commissioner for North Yorkshire to the Y&NYCA and made the functions of the police and crime commissioner in North Yorkshire, functions exercisable by the Mayor.
- 4.7 The Mayor is accountable to local people and will draw on this mandate to set and shape the strategic objectives for York and North Yorkshire in consultation with the Chief Constable and the Chief Fire Officer.
- 4.8 In accordance with the legislation, the Mayor has arranged for the Deputy Mayor for Policing and Crime to exercise PCC functions and has made a Mayor's PCC Scheme of delegation as set out in the Police and Crime Commissioner Functions - Governance Documents contained in Part 9 of the Constitution. The provisions of this Code of Corporate Governance apply to all officers, including those operating, in whole or in part, any of the Mayor's PCC functions.
- 4.9 The Police, Fire and Crime Panel, is a joint committee of the Constituent Councils and is responsible for providing a check and balance as to the performance of what was the Police, Fire and Crime Commissioner. Following the passing in parliament of the York and North Yorkshire Combined Authority Order 2023, the Y&NY Mayor was permitted to incorporate fire and rescue into the functions

exercised by the Y&NY Deputy Mayor. Membership of the Police, Fire and Crime Panel may no longer include members or substitute members of the Y&NYCA. The role of the Y&NYPCP is to scrutinise and review decisions made or actions taken by the Mayor, the Deputy Mayor for Policing and Crime and any other person who exercises any PCC function of the Mayor.

Engaging Comprehensively with Institutional Stakeholders

- 4.10 The Authority develops and maintains relationships with leaders of other organisations across the private, public and voluntary sector to help deliver the shared vision for the city region through formal governance structures and through partnership working.
- 4.11 The police and crime plan clearly sets out the strategic direction and objectives of North Yorkshire Police and is monitored and reviewed regularly in conjunction with the Deputy Mayor for Policing and Crime.

Engaging With Individual Citizens and Service Users Effectively

- 4.12 The Y&NYCA consults communities, individuals, service users and other stakeholders whenever there is a legal duty to do so. The Authority informs, consults and involves residents on strategic matters and issues of interest to them. This dialogue is sustained and encouraging through a number of channels, including the live streaming of Y&NYCA meetings and through an active social media presence on platforms such as Facebook, and X (formerly Twitter).
- 4.13 The Authority is committed to considering and acting upon feedback from residents and stakeholders. A transparent complaints handling procedure is in place which enables the Authority to learn effectively from the complaints it has received.

5 DEFINING OUTCOMES IN TERMS OF SUSTAINABLE ECONOMIC, SOCIAL, AND ENVIRONMENTAL BENEFITS

Defining Outcomes

- 5.1 The long-term nature and impact of many of the Y&NYCA responsibilities mean that they should seek to define and plan outcomes and that these should be sustainable. Decisions should contribute to delivery of the intended benefits and outcomes within the organisational strategy.
- 5.2 The Y&NYCA strategic plan is jointly owned by the Y&NYCA and the Y&NY Local Enterprise Partnership.
- 5.3 The Strategy sets out Y&NYCA's ambitions for the area and both bodies are jointly responsible for ensuring that the ambitions contained within these plans are delivered.

- 5.4 To enable the Y&NYCA and Y&NY LEP to understand performance across all strategic priorities, headline progress measures, targeted indicators and qualitative assessments will form the basis of the comprehensive performance framework and progress monitoring of the delivery of the Y&NY Strategy.
- 5.5 The Police and Crime Plan which is a requirement of the Police Reform and Social Responsibility Act 2011 defines the police and crime objectives and outcomes and the strategic direction for policing. The Mayor, when exercising their PCC functions, must have regard to the priorities during the development and lifespan of the Police and Crime Plan, which sets the limits of authority and resources. Input from all groups of stakeholders, including citizens, service users and officers is vital to the success of this process and in balancing competing demands when determining priorities for the finite resources available.
- 5.6 The Fire and Rescue National Framework for England 2018 requires the Mayor to issue a Fire and Rescue Plan which defines the fire and rescue objectives (outcomes) and the strategic direction for the fire and rescue service. The Mayor must have regard to the priorities of the responsible authorities during its development.
- 5.7 The Integrated Risk Management Plan (IRMP), known as the Risk and Resource Model in North Yorkshire, prepared by the Chief Fire Officer, will inform and be informed by the Fire and Rescue Plan.
- 5.8 Collaboration agreements will set out those areas of the Mayor's PCC functions which will be undertaken jointly with other forces, local policing bodies and partners and other emergency services, in order to reduce cost, increase capability and/or increase resilience to protect local people.

Sustainable Economic, Social and Environmental Benefits

- 5.9 The York and North Yorkshire Strategy's vision for the conurbation is predicated on developing a modern and productive economy, where residents are able to contribute to and benefit from growth, and where social and environmental objectives are delivered alongside York and North Yorkshire's economic ambitions. All of its priorities are focused on delivering this vision and ensuring that everyone in York and North Yorkshire realises their potential and all parts of York and North Yorkshire become thriving places.
- 5.10 An Equalities Impact Assessment has been undertaken for the new York and North Yorkshire Strategy, with no significant adverse impacts identified against any groups with protected characteristics.
- 5.11 The work of the Combined Authority will be informed by the Equality Act (2010) to ensure that:
 - Y&NY's key strategic initiatives proactively embed the principles of promoting equalities, inclusion and cohesion within their design (and in so doing fulfil the requirements of the general equality duty);

As an employer the Y&NYCA integrates the consideration of equalities, inclusion and cohesion into its day-to-day business and adopts best practice to fulfil the aims of the general equality duty.

5.12 Finally, the Y&NYCA has been proactive in using Social Value as an enabler to deliver additional benefits for suppliers and partners across all procurement and commissioning activity. Y&NYCA understands that social value can be used to reinforce the core objectives of the Y&NY strategy and to increase the spending power – in the widest sense of the word - of every pound spent in Y&NY. The Y&NYCA's funding is subject to the provisions of the Public Services (Social Value) Act 2012 and so has adopted a Social Value Framework whose objectives are:

- To provide the best employment that you can
- To keep the air clean in York and North Yorkshire
- To create the employment and skills opportunities that we need to build back better
- To be part of a strong local community
- To make your organisation greener
- To develop a local, Y&NY based and resilient supply chain

6 DETERMINING THE INTERVENTIONS NECESSARY TO OPTIMISE THE ACHIEVEMENT OF THE INTENDED OUTCOMES

Determining Interventions

6.1 The Y&NYCA provides decision makers with objective and rigorous analysis of options, covering intended outcomes, financial impact and associated risks supporting efficient service delivery. This is achieved by providing a mixture of legal, regulatory and practical interventions. Determining the right mix of these courses of action is a critically important strategic choice that the Y&NYCA has to make to ensure intended outcomes are achieved.

6.2 Robust decision-making mechanisms to ensure that their defined outcomes can be achieved in a way that provides the best trade-off between the various types of resource inputs while still enabling effective and efficient operations. Decisions made need to be reviewed continually to ensure that achievement of outcomes is optimised.

Planning Interventions

6.3 The Y&NYCA plans its activity through its budget and business planning cycle and does this in consultation with internal and external stakeholders to ensure that work delivered across different organisations and partners complement each other and avoid duplication.

6.4 This is facilitated by Y&NY's governance structures which support the delivery of Y&NY's priorities across the conurbation and co-ordinate their activity. The

effectiveness of interventions are monitored through the provision of regular performance reports to thematic meetings as well as the Y&NYCA itself.

- 6.5 Policy implementation usually involves choice about the approach, the objectives, the priorities and the incidence of the costs and benefits. The Y&NYCA must ensure that they have access to the appropriate skills and techniques to make these choices.

Optimising Achievement of Intended Outcomes

- 6.6 Y&NYCA is required to secure value for money as set out in the Code of Audit Practice 2010. The Y&NYCA has to put in place proper arrangements to:
- secure economy, efficiency and effectiveness in its use of resources
 - ensure proper stewardship and governance review regularly the adequacy and effectiveness of these arrangements.
 - consider the Y&NYCA arrangements to secure economy, efficiency and effectiveness.
- 6.7 The Authority procures goods and services in compliance with UK and Authority regulations and ensure that value for money is obtained through a balanced consideration of social, economic and environmental impacts that can be derived from procurement spend.

7 DEVELOPING THE ENTITY'S CAPACITY, INCLUDING THE CAPABILITY OF ITS LEADERSHIP AND THE INDIVIDUALS WITHIN IT

Developing the Organisation's Capacity

- 7.1 The Y&NYCA monitors its governance and staffing to support the delivery of planned work programme. The Authority ensures that resources are directed to those activities that will make the greatest contribution to the conurbation's vision through its budget and business planning process.
- 7.2 Where possible the Authority seeks information about functions, expenditure and performance from comparator organisations and uses these findings to inform its own work. Where intelligence suggests different ways of doing things will lead to improved value for money these options are explored.
- 7.3 The Y&NYCA continues to develop all aspects of its approach to workforce planning and development.

Developing The Capability of the Organisation's Leadership and Other Individuals

- 7.4 The roles and responsibilities of members and senior officers are clearly defined within the Y&NYCA Constitution, Policies and Protocols. The Constitution also sets out the Y&NYCA's scheme of delegation and a protocol governing

member/officer relations so that elected members and senior officers have a shared understanding of their respective roles.

- 7.5 The Y&NYCA is committed to developing the capability of people with governance responsibilities and ensuring that officers working on Y&NYCA business understand the importance of governance within their role. An induction and training programme for members and officers is tailored to individual needs and provides an opportunity to learn about new developments as well as their governance responsibilities.
- 7.6 The Authority has an open approach to external and peer review and inspection and actively considers constructive feedback.

8. MANAGING RISKS AND PERFORMANCE THROUGH ROBUST INTERNAL CONTROL AND STRONG PUBLIC FINANCIAL MANAGEMENT

Managing Risk

- 8.1 The Y&NYCA maintains a risk register, which supports the identification and management of key risks. Risk management, business continuity and internal control are important and integral parts of a performance management system and crucial to the achievement of outcomes. The risk register is regularly reviewed and informs decision making, protects the Y&NYCA's reputation and other assets and is compliant with statutory and regulatory obligations. The Y&NYCA's Corporate Risk Register names risk owners for each of its key strategic risks.

Managing Performance

- 8.2 Regular performance reports are provided to the as well as the Y&NYCA itself.
- 8.3 Relevant, objective and reliable performance information is used to inform decision making, alongside the financial implications and risk information associated with each decision.

Effective Overview and Scrutiny

- 8.4 The Y&NYCA believes that effective overview and scrutiny of decisions leads to improved decision making and improved public services. The Y&NYCA has established and maintains an effective Scrutiny function which is able to constructively challenge decision-makers, including those who work in partnership with the Authority, and policy makers.

Robust Internal Control

- 8.5 Internal control systems support the Y&NYCA to achieve its objectives by managing its risks while complying with regulations and organisational policies.

This safeguards the Y&NYCA's resources against loss, fraud, misuse and damage and safeguards the confidentiality and integrity of its ICT and information systems. The Y&NYCA maintains clear policies and arrangements in respect of counter fraud and anti-corruption.

- 8.6 The Y&NYCA's Audit and Governance Committee provides a further source of assurance of the Y&NYCA's approach to risk management and the control environment.
- 8.7 An independent audit committee will operate in line with the guidance of the Financial Management Code of Practice, in relation to the Mayor's Police and Crime functions.

Managing Data

- 8.8 The Y&NYCA is committed to safeguarding the personal data it holds and sharing this data only in circumstances permitted by law. Its approach to data protection is set out in its publication scheme. The Y&NYCA is committed to the safe-sharing of data -where appropriate- with other agencies where this supports the delivery of the York and North Yorkshire Strategy's priorities and vision.
- 8.9 The Y&NYCA complies with the [Local Government Transparency Code 2015](#) by publishing accurate data within appropriate time frames in the areas mandated by the Code on the Y&NYCA website. The Y&NYCA regularly reviews the quality and accuracy of the data it produces and uses in decision making and performance monitoring.

Strong Public Financial Management

- 8.10 The Y&NYCA's approach to financial management ensures that public money is safeguarded at all times and used appropriately, economically, efficiently and effectively. Its approach supports both long-term achievement of objectives and short term financial and operational performance.
- 8.11 The Section 73 Officer ensures that appropriate advice is given on all financial matters, proper financial records and accounts are kept, and oversees an effective system of internal financial control. The Section 73 Officer ensures well developed financial management is integrated at all levels of planning and control including management of financial risks and controls.
- 8.12 The Y&NYCA maintains a prudential financial framework; keeps its commitments in balance with available resources; and monitors income and expenditure levels to ensure that this balance is maintained and takes corrective action if necessary.

9. IMPLEMENTING GOOD PRACTICES IN TRANSPARENCY, REPORTING, AND AUDIT TO DELIVER EFFECTIVE ACCOUNTABILITY

Implementing Good Practice in Transparency

- 9.1 The Y&NYCA is committed to publishing information including reports in a manner which is accessible to residents and other stakeholders. The publication of information will strike a balance between satisfying the demands of transparency and becoming too onerous for users to understand.

Implementing Good Practices in Reporting

- 9.2 The Y&NYCA seeks to demonstrate to its stakeholders that it has delivered its priorities. It publishes an Annual Report setting out how it has performed, charting the city region's progress towards delivering its vision. There is also an annual review of the effectiveness of its governance framework including its system of internal control and an Annual Governance Statement which is published alongside its accounts.

Assurance and Effective Accountability

- 9.3 The Y&NYCA welcomes peer challenge, internal and external review and audit, and inspections from regulatory bodies. Officers and relevant member bodies consider any recommendations made and put in place arrangements for the implementation of actions agreed to be taken as a result. There is clear oversight from the Y&NYCA and wider leadership team on the conclusions and resultant actions.
- 9.4 Accountability is about ensuring that those making decisions and delivering services are answerable for them. Effective accountability is concerned not only with reporting on actions completed but also ensuring that stakeholders are able to understand and respond as the organisation plans and carries out its activities in a transparent manner. Both external and internal audit contribute to effective accountability.
- 9.5 It is easy to pay lip service to the principles of accountability. Aspirations which are not followed through, and actions which are not explained to those who are affected by them, undermine confidence.

Monitoring and Review

- 9.6 This Code is reviewed on an annual basis to ensure it is kept up to date. Where the review identifies that changes to the Code are necessary, the revised Code will be submitted to the Audit and Governance Committee for comments before being incorporated within the Y&NYCA's Constitution.
- 9.7 The Y&NYCA has a committee responsible for monitoring and reviewing corporate governance arrangements. This committee is:

- The Audit and Governance Committee – responsible for approving the Y&NYCA 's annual accounts and responding to the auditor's annual management letter. It also oversees the effectiveness of the Y&NYCA 's governance and risk management arrangements, the internal control environment and associated anti-fraud and anti-corruption arrangements and
 - for promoting and maintaining high standards of conduct amongst Members, for advising the Y&NYCA on the adoption and revision of the Code of Conduct for Members, and for monitoring the operation of the Code.
- 9.8 Full terms of reference for this Committee is included in the Y&NYCA's Constitution. The Y&NYCA's members are informed of the work of this Committee through minutes submitted to the Y&NYCA.
- 9.9 The Y&NYCA will ensure that corporate governance arrangements are kept under continual review by updating, as appropriate, this Committees on:
- The work of Internal and External Audit
 - The opinion of other review agencies and inspectorates
 - Opinions from the Y&NYCA 's Statutory Officers
 - General matters relating to the implementation of the Code
 - The production of the Annual Governance Statement and actions planned to address arising governance issues.

The Annual Governance Statement

- 9.10 Each year the Y&NYCA publishes an Annual Governance Statement to accompany the Annual Accounts. The Statement provides an overall assessment of the Y&NYCA 's corporate governance arrangements and how it adheres to the governance standards set out in this Code. Evidence relating to the principles of this Code is reviewed and analysed to assess the robustness of the Y&NYCA 's governance arrangements.
- 9.11 The Statement includes an appraisal of the key controls in place to manage the Y&NYCA's principal governance risks and the effectiveness of systems and processes governing decision making and financial control. The Statement also provides details of where improvements need to be made. Actions to address significant governance issues are identified and recorded in an action plan. The Annual Governance Statement is audited by the Y&NYCA's external auditors as part of the audit of the annual accounts.

The Y&NYCA Whistleblowing Policy is a vital part of our governance arrangements and is designed to allow employees or others, with serious concerns about any aspect of the Y&NYCA's work or that of its partners, to come forward and voice those concerns without fear of reprisal.

- 2.5 The detailed policies and procedures in relation to the above are made available on the Y&NYCA website. Referrals will be handled as follows:
- 2.6 Whistleblowing concerns related to the Y&NYCA functions, including North Yorkshire Fire and Rescue Service will be dealt with in accordance with the respective Whistleblowing policies.
- 2.7 The Y&NYCA Audit and Governance Committee is responsible for reviewing the Whistleblowing Policies and approving any necessary changes. The Y&NYCA Section 73 Officer and relevant Chief Officer are responsible for monitoring the

The Y&NYCA encourages anybody, employees and others, with serious concerns about any aspect of the Y&NYCA 's work or its partners, to come forward and voice those concerns without fear of reprisal.

However, there are occasions when contact from a complainant becomes too frequent or complex that it hinders our consideration of their complaints, or those made by other people. In such cases the Y&NYCA may take action to limit the contact the complainant has with the Y&NYCA. Such occurrences are rare, and the Y&NYCA will first write to the complainant to advise that their contact is no longer considered reasonable.

Section H: Y&NYCA International Visits Protocol

1. Introduction

1.1 The Y&NYCA has an ambition to be world renowned in many areas of its work, and therefore international visits may assist in achieving this outcome. The following protocol has been written to support officers and elected members to determine whether a visit is appropriate, understand the process for seeking authorisation and to be aware of the travel and subsistence allowance available.

2. Determining an appropriate visit

2.1 When considering an international visit, it is important to consider the following issues, even if the visit is being paid for by a third-party organisation.

- Is the visit for the purpose of, or in connection to the discharge of functions for the Y&NYCA?
- Consider and identify the relevant Combined Authority Officers and Members.
- Does the visit support the Y&NYCA's low carbon ambitions? i.e. Could the same objectives be achieved through a telephone call or video call or is the trip essential?
- Are there benefits to the Y&NYCA from the visit to the Y&NYCA's International Strategy from attending in person?
- Determine who needs to attend in consultation with the Combined Authority Chair.
- Identify budget from which the cost of the visit will be met
- Use the Foreign Office website to check the latest travel advice to risk assess your visit i.e., are there political tensions, community unrest, areas to avoid etc.
- Is the visit covered by the Y&NYCA travel insurance, if not, does there need to be an additional policy purchased?
- Research which vaccinations and visas will be required.

3. Seeking authorisation

3.1 Elected members representing the Y&NYCA should seek authorisation from the Head of Paid Service and Y&NY Mayor for any international visits. This should be done in writing before the trip is arranged or any tickets purchased. Air travel will only be approved in exceptional circumstances and with the authorisation of the Head of Paid Service and the Mayor, and also with the agreement of the Lead Members of the constituent authorities.

3.2 Officers of the Y&NYCA should first seek their Director's approval and then authorisation from the Head of Paid Service, in writing.

3.3 Upon presenting this request, the following details should be provided –

- Location
- Length of trip

- Purpose of trip
 - Choice of travel (and cost)
 - Choice of accommodation (and cost)
 - Overall budget required
 - Means by which costs will be paid, i.e., is cash required
 - Consideration of the issues outlined in section 2 above
- 3.4 The choice of travel and accommodation should be in accordance with the Y&NYCA's Constitution guidance on travel and subsistence as outlined in section 4 of this protocol.
- 3.5 If leading a large delegation, further authorisation should be sought for -
- The parameters for booking a conference venue
 - The budget allocation for providing a corporate dinner
 - Confirmation as to whether the Y&NYCA will cover any additional costs for visas, vaccinations, travel, accommodation, subsistence etc

4. Travel and subsistence

- 4.1 For international visits, the most appropriate, efficient, environmentally sustainable and economical mode of transport e.g., air, sea, rail should be sought with the costs & source of funding identified.
4. Required vaccinations and visas should be sought by the individual and claimed back through the expenses process at their constituent authority.
- 4.3 The following extract from the Y&NYC's Constitution applies where appropriate

Rail travel

- 4.4 Members are expected to travel by standard class rail. First class travel is considered acceptable only in the following circumstances:
- Additional space and privacy is required during the journey to work
 - Where the cost of discounted first-class travel is less than that of the cheapest available standard class ticket
- 4.5 Rail tickets are available from the Y&NYCA office; however, members wishing to make their own travel arrangements (other than by private car) may claim a sum equal to the cost of the rail fare or their actual expenses, whichever is the lesser.
- 4.6 Expenditure may be refunded for: (i) Pullman car, seat reservation, deposit or portage of luggage; and (ii) sleeper reservation on overnight journeys; subject to a reduction by one third of any subsistence allowance payable for that night.

Taxis

- 4.7 The rate for travel by taxi shall be: (i) in cases of urgency or where no public transport is reasonably available, the amount of the actual fare and any reasonable gratuity paid; and (ii) in any other case, the amount of the fare for travel by public transport.

Subsistence

- 4.8 Foreign travel may require higher levels of subsistence to reflect the cost of living or ensure the most appropriate location is selected for accommodation and dining, in line with the completed risk assessment. However, such requests need to be outlined when seeking authorisation. In relation to day subsistence the Y&NYCA Constitution states:
- 4.9 Day subsistence rates are on a 'meals' basis, with eligibility based on the time of day the meal is taken and time away from home, as follows:
- Breakfast allowance (more than 4 hours away from normal place of residence before 11:00 am) £5.59
 - Lunch allowance (more than 4 hours away from normal place of residence including the period between 12 noon and 2:00 pm) £7.59
 - Tea allowance (more than 4 hours away from normal place of residence including the period between 3:00 pm to 6:00 pm) £3.06
 - Evening meal allowance (more than 4 hours away from the normal place of residence after 7:00 pm) £9.50
- 4.10 The cost of overnight accommodation will be paid where necessary at a reasonable rate for a 3-star hotel. The amount claimed should not be higher than the amount actually incurred and any reimbursement at a higher rate than is specified will only be permitted when prior agreement to the cost has been given by the Head of Paid Service Y&NYCA.
- 4.11 Meals provided free of charge. The rates specified above are to be reduced by an appropriate amount in respect of any meal provided free of charge by an authority or body in respect of the meal or the period to which the allowance relates.
- 4.12 When main meals are taken on trains during a period for which there is an entitlement to day subsistence, the reasonable cost of the meals (including VAT) may be reimbursed in full. In such circumstances, reimbursement for the reasonable cost of a meal would replace the entitlement to the day subsistence allowance for the appropriate meal period.
- 4.13 Claims / Payments Claims for payments under this scheme shall be made in writing to the Section 73 Officer / Finance Officer of the Constituent Council which has nominated the member to serve on the Y&NYCA, on a quarterly basis, in arrears, or at more frequent intervals if the member so chooses. Payments shall be made by the nominating Constituent Council on the same basis. All payments are rechargeable to the Y&NYCA by the Constituent Councils, on a quarterly basis.
- 4.14 The protocol applies the Constitution's guidance as above to both elected members and officers of the Y&NYCA.

5. Following the visit

- 5.1 In order to evaluate the outcomes of the visit it is important that feedback is provided so that these can be measured against the original objectives of the visit and assurances can be provided for any future visits.

PART 9

PCC & FRA

FUNCTIONS

GOVERNANCE

DOCUMENTS

1. Introduction

1.1 The office of the Police, Fire and Crime Commissioner was established as a corporation sole by the Police Reform and Social Responsibility Act 2011 to employ staff and hold funds in their official capacity. However, following the introduction of an elected Mayor for York and North Yorkshire who exercises Police and Crime Commissioner (PCC) functions, with effect from 7 May 2024, the North Yorkshire Police area no longer has a Police and Crime Commissioner.

1.2 Instead, the Mayor is to be treated as Police and Crime Commissioner for the purposes of all Police and Crime Commissioner enactments (whenever passed or made). Any PCC function exercisable by the Mayor is to be taken as a function of the Y&NYCA exercisable by the Mayor acting individually or by a person under delegated arrangements. So, whilst any property, rights and liabilities may vest legally in the Y&NYCA as the corporate entity, it is the Mayor who has public accountability for the delivery and performance of the police service, in conjunction with a statutory duty and electoral mandate to hold the police to account on behalf of the public.

1.3 The s4A Fire and Rescue Authority was transferred into the PCC's functions and responsibility on 15 November 2018. The North Yorkshire Fire and Rescue Authority (NYFRA) has also been abolished with effect from 7 May 2024, with the fire and rescue function for North Yorkshire being passed to the Y&NYCA, which is a fire and rescue authority under the Fire and Rescue Services Act 2004 and has a statutory duty and electoral mandate to ensure an efficient and effective fire and rescue service. As a result, the NYFRA will be known from the 7 May 2024 as the Y&NYCA FRA.

1.4 The purpose of this statement is to give clarity to the way the Mayor, in exercising their PCC and fire and rescue functions will be governed to do business in the right way, for the right reason at the right time and clarity in the way that the Chief Constable, the Chief Fire Officer and the Mayor will also do such business to ensure efficiency, effectiveness and value for money.

1.5 In order to conduct their PCC and Fire and Rescue functions, support service collaborations are in place with Evolve Legal Services for PCC Functions (NYC provides Fire and Rescue legal support) and Enable NY.

1.6 Evolve Legal Services is a collaboration with the Chief Constables of Durham, Cleveland and North Yorkshire Police Forces and each respective Police and Crime Commissioner Offices, providing legal, insurance and disclosure services to support the police and crime function. The agreement has been made in accordance with Section 22A of the Police Act 1996.

1.7 Enable NY is a collaboration which provides support services in the areas of People Services, Finance, Assets and Information Technology. The agreement has been made in accordance with Section 1 of the Policing and Crime Act 2017 and supports both the PCC functions and the Fire and Rescue functions.

2. Statement of Corporate Governance

2.1 The principal statutory framework within which the Combined Authority exercising their PCC or Fire and Rescue Functions will operate is:

- Fire and Rescue Services Act 2004 (FRSA04)
- Dealing with other types of emergencies, as specified by the Secretary of State in Statutory Instruments (Orders) made under the Fire and Rescue Services Act 2004
- Civil Contingencies Act 2004
- Police Reform and Social Responsibility Act 2011 (PRSRA11)
- The Policing and Crime Act 2017
- The Policing Protocol Order 2011
- Fire and Rescue Authority (Police and Crime Commissioner) (Application of Local Policing Provisions, Inspection, Powers to Trade and Consequential Amendments) Order 2017
- Regulatory Reform (Fire and Safety) Order 2005
- Crime and Disorder Act 1998
- Financial Management Code of Practice
- Strategic Policing Requirement
- Fire and Rescue National Framework for England 2018
- Local Government Finance Act 1992
- Health and Safety at Work Act 1974 and associated Regulations
- Local Government & Housing Act 1989

In each case as amended by (or otherwise in accordance with the provisions of) the York and North Yorkshire Combined Authority Order 2023 which makes provision for how the Police and Crime Commissioner and the Fire and Rescue Functions operate when they form part of the Combined Authority.

2.2 The core principles adopted are those highlighted by the Code of Corporate Governance, which can be found in Part 7, Section E of this Constitution.

Mayor's PCC Functions - Scheme of Consent and Scheme of Delegation

3 Introduction

3.1 This Scheme sets out the delegations by the Mayor to the Deputy Mayor for Policing and Crime, Chief Officers, Statutory Officers and other senior personnel. It complements the delegations by the Chief Constable, which is addressed within the Chief Constable's own scheme of delegation. It is supported by other instruments such as the Financial Regulations and contract Procedure Rules.

3.2 It aims to clarify those powers which, for the benefit of good business practice, are given to senior and statutory officers. The Mayor may limit these powers, where the law allows and/or withdraw delegation and the Mayor may impose reporting arrangements on any authorised powers.

3.3 Powers are given to the Chief Constable by laws, orders, rules or regulations. Also, national conditions of employment give powers to the Mayor, the Chief Constable and, in the case of police regulations, the Secretary of State for the Home Office.

3.4 The powers given to officers should be exercised in line with the Mayor's delegation and consent, the law, standing orders and financial regulations, and also policies, procedures, plans, strategies and budgets.

3.5 This Scheme does not identify all the statutory duties which are contained in specific laws and regulations.

4. Key Role of the Mayor

4.1 The Combined Authority is the legal contracting body who owns all the assets and liabilities, and with responsibility for the financial administration of their office, the corporate support service and the Police Force, including all borrowing limits.

4.2 The Mayor will receive all funding, including the government grant and precept, and other sources of income, related to policing and crime reduction. By law all funding for the Police Force must come via the Mayor. How this money is allocated is for the Mayor to decide in consultation with the Chief Constable, or in accordance with any grant terms.

4.3 The Police, Fire and Crime Panel is a check and balance on the Mayor when operating their Police and Crime Commissioner and Fire and Rescue Functions, through reviewing or scrutinising their decisions, including the Mayor's policing and crime precepts and police, fire and crime plans, conducting confirmation hearings and dealing with complaints against the Mayor when operating these Functions.

4.4 The Mayor will be responsible for handling complaints and conduct matters in relation to the Chief Constable and Chief Fire Officer and monitoring complaints against officers and staff. Both organisations are responsible for complying with the lawful requirements of the Independent Office for Police Conduct.

5. Key Role of the Chief Constable

5.1 The relationship between the Chief Constable and the Mayor operating their Police and Crime Functions is set out in the Policing Protocol Order 2013.

5.2 The Chief Constable is responsible for maintaining the King's Peace, and has direction and control over the force's officers and staff. The Chief Constable holds office under the Crown, but is appointed by the Mayor.

5.3 The Chief Constable is accountable to the law for the exercise of police powers, and to the Mayor for the delivery of efficient and effective policing, management of resources and expenditure by the police force.

5.4 At all times, the Chief Constable, their Constables and staff remain operationally independent in the service of the communities they serve.

6. Consents to the Chief Constable of North Yorkshire Police

General Powers of the Chief Constable

6.1 The Police Reform and Social Responsibility Act 2011 (PRSA 2011) confers wide general powers on the Chief Constable and provides that the Chief Constable may do anything which is calculated to facilitate, or is conducive or incidental to, the exercise of their functions.

Consent

6.2 Section 18 of the PRSA 2011 prohibits the Mayor from delegating functions to the Chief Constable (or any constable) or to staff of a constable. However the PRSA 2011 provides for the Mayor to 'consent' to the Chief Constable and also provides for the Chief Constable to carry out their duty to assist in the exercise of the Mayor's Police and Crime Commissioner functions.

6.3 'Consent' refers to the provision of approval and agreement, particularly and especially after due and thoughtful consideration. Transactions entered into following 'consent' by the Mayor to the Chief Constable, will be in the name of the Chief Constable as a separate legal entity, as opposed to the name of the Mayor or Combined Authority (as would have been the case if the Chief Constable was permitted to give delegated authority and gave it).

6.3 The Mayor expects that the Chief Constable will want to further delegate many of the responsibilities that are consented to them from the Mayor. The Mayor expects that a formal scheme of delegation is put in place, in writing, that is updated annually and is consistent with the contents of this scheme of consent, the financial regulations approved by the Mayor and the Contract Standing Orders approved by the Mayor.

6.5 From the 1st April 2014 there was a transfer of staff from the employment of the former Police and Crime Commissioner to the employment of the Chief Constable. Known as the 'Stage 2' transfer, this process transferred some Police Staff contracts of Employment, from the Police and Crime Commissioner to the Chief Constable. Specific details were set out and agreed with the Home Secretary in line with the legislative requirement.

6.6 The restrictions placed on Chief Constables in terms of 'contracts and other agreements' (where they need the consent of the Mayor to enter into them) do not apply to contracts of employment and therefore the Chief Constable does not need the consent of the Mayor to employ staff.

6.7 As with any organisation the Chief Constable will be expected to exercise all the powers of employer of Police Staff, including engagement and dismissal, consideration of appeals by such staff, in respect of discipline, capability, grievance and grading.

6.8 The Chief Constable will be responsible for determining all matters in relation to Pensions for both Police Officers and Police Staff, unless legislation specifically requires a decision to be made by the Mayor. The Mayor expects that given the arrangements in place for the Local Government Pension Scheme that any decisions relating to this scheme being contemplated by the Chief Constable, as a scheme employer, is discussed with the Mayor so that a consistent approach is agreed and taken.

6.9 The Chief Constable will be expected to exercise all the powers of employer of Police Officers, including engagement and dismissal, consideration of appeals by such officers, in respect of discipline, capability, grievance and grading. In line with the PRSRA 2011 the Chief Constable is required to notify and consult, as appropriate, with the Mayor in relation to the appointment, suspension and/or removal of either a Deputy Chief Constable or an Assistant Chief Constable.

6.10 The Mayor expects that wherever possible that consistent 'people' policies, processes and procedures are maintained and adopted across the Combined Authority and North Yorkshire Police. To enable this to happen, the Mayor expects that the Corporate Director for the Office of Police, Fire and Crime be included on all policy consultations.

6.11 The Chief Constable is prevented from owning land by the PRSRA 2011 and therefore the ownership of all land remains with the Combined Authority. The Mayor consents to the Chief Constable using the land owned by the Combined Authority, which they hold for Police and Crime purposes, if they wish to do so, for the delivery of policing services in line with the Police and Crime Plan, and to enable the Chief Constable to exercise their functions.

6.12 The Mayor will not transfer the ownership of any of the buildings currently owned by the Combined Authority to the Chief Constable. The Mayor also does not provide consent to the Chief Constable to acquire any buildings in their own name. The Mayor does consent to the Chief Constable using any of the buildings owned by the Combined Authority, which they hold for Police and Crime purposes, if they wish to do so, for the delivery of policing services in line with the Police and Crime Plan, and to enable them to exercise their functions, but does so on the understanding that:

- a. The Mayor does not intend to transfer the ownership of any of the buildings to the Chief Constable.

- b. The Mayor does not intend to sell any of the buildings to the Chief Constable.
- c. The use of the buildings is reviewable by both parties.
- d. Any gains or losses in the value of the buildings accrue to the Combined Authority only.

6.13 The Mayor consents to the Chief Constable to exercise all powers, rights and duties in respect of buildings owned by the Combined Authority but being used by the Chief Constable (other than disposing of buildings).

6.14 The Mayor consents to the Chief Constable identifying, and disposing of, in the most economically advantageous way, any Police and Crime assets owned by the Combined Authority (which are not land and/or buildings) which are no longer required for the delivery of policing services and/or are no longer economically viable for providing policing services, subject to the Scheme of Delegation below and compliance with any Financial Regulations or Contract Procedure Rules.

6.15 In order to respond to the strategic objectives set by the Mayor and the wide variety of challenges faced by the police every day, the Chief Constable is charged with day-to-day management of assets used by the Force.

6.16 The Mayor does not consent to the Chief Constable entering into contracts in their own name.

6.17 The Chief Constable is prohibited by law from entering into credit arrangements and therefore will be unable to enter into either PFI or Finance Leases in their own name.

6.18 To help ensure the effective delivery of policing services and to enable the Chief Constable to have impartial direction and control of all constables and staff within their force, the Chief Constable has day to day responsibility for financial management of the force provided that such responsibility shall be exercised in accordance with the law and within the Mayor's PCC Financial Regulations and Contract Procedure Rules and any relevant statutory guidance and codes of practice and within the agreed budget allocation and levels of authorisation issued by the Mayor.

6.19 The Chief Constable must ensure that the financial management of their allocated budget remains consistent with the objectives and conditions set by the Mayor. The Chief Constable is required by legislation to appoint a Chief Finance Officer who will have a personal responsibility for the proper financial administration of the Force and who will lead for the force on financial management.

6.20 When the Chief Constable intends to make a significant change of policy or seeks to move significant sums of their budget then the approval of the Mayor should be sought in line with the Mayor's agreed Financial Regulations.

6.21 The Chief Constable shall report to the Mayor, and inform the Mayor's Director of Resources, if it appears that expenditure is likely to exceed those resources allocated to them by the Mayor.

6.22 The Chief Constable is required to make the Mayor aware, and inform the Mayor's Director of Resources, of any decisions either made, or proposed, which they become aware of, that might involve unlawful expenditure or are likely to cause a loss or deficiency or an unlawful entry in the Accounts.

6.23 The Mayor expects that the money provided to the Chief Constable is spent in pursuit of the objectives as set out in the Police and Crime Plan and in line with the requirements placed on the Chief Constable by the Policing Protocol Order, the PRSRA 2011 and other legislation. The Mayor prohibits using any money provided to the Chief Constable from the Combined Authority on reviewing or contesting any decision of the Mayor.

6.24 The Mayor consents to the Chief Constable to approve the writing off of any debt owing from the Chief Constable's Staff or Police Officers (subject to the agreement of the Mayor's Director of Resources where any debt is in excess of £5,000).

6.25 The Mayor has the responsibility to commission services to address the causes and effects of crime and anti-social behaviour and does so in line with a Commissioning Strategy and Plan. As such the Mayor does not consent to the Chief Constable making any Grants and/or Contributions of a financial nature, to any organisation without the prior approval of the Mayor.

6.26 The Mayor consents to the Chief Constable to accept income, offers of sponsorship and gifts on behalf of the Mayor, where they relate to policing and crime, provided that decisions taken in this regard are in accordance with the law and with any guidance or policy which the Mayor may from time to time determine. Acceptance of the income however does not provide automatic authorisation to spend the income.

6.27 To avoid duplication and in the interests of efficiency and effectiveness the Mayor and Chief Constable have agreed that there is no requirement for the Chief Constable to have separate bank accounts. As such the Mayor does not consent to the Chief Constable having either temporary loans or overdrafts.

6.28 The Mayor consents to the Chief Constable to authorise payments to be made from the Combined Authority's PCC Function bank accounts, providing that joint banking arrangements are in place.

6.29 The Mayor does consent to the Chief Constable having credit cards in the name of the Chief Constable providing there are adequate policies in place for their use and appropriate checks and balances in place to oversee their usage.

6.30 The Mayor does consent to the Chief Constable having purchasing cards in the name of the Chief Constable providing they are used in accordance with both Contract Procedure Rules and that their use is adequately controlled with appropriate policies and checks and balances.

6.31 As a result of operating under one banking arrangement, the Chief Constable will not have any separate funds to invest and as such the Mayor does not consent to the Chief Constable making any investments.

6.32 It is recognised that, unless a power or function of the Chief Constable must, as a matter of law, be exercised personally by them; such functions may be exercised on their behalf by such officers and staff as the Chief Constable thinks fit. There are numerous functions and powers of the Chief Constable which, as a matter of everyday practice, are in fact exercised on their behalf by other officers and members of staff.

7. General principles of delegation

7.1 The Mayor expects anyone exercising delegated powers or consents to draw to the attention of the Mayor any issue which is likely to be regarded as novel, contentious or repercussive before exercising such powers.

7.2 Delegations are set out in this Part. The Mayor may ask that a specific matter is referred to them for a decision and not dealt with under powers of delegation. This scheme also does not prevent an officer from referring the matter to the Mayor for a decision, for example, due to sensitivities of the matter or where there may be a significant financial implication.

7.3 These arrangements delegate powers and duties within broad functional descriptions and include powers and duties under all legislation. The scheme does not attempt to list all matters which form part of everyday management responsibilities.

7.4 When a statutory officer (or an officer with a delegation of a statutory officer) is considering a matter that is within another statutory officer's area of responsibility, they should consult the other statutory officer before authorising the action.

7.5 All decisions officers make under powers given to them by the Mayor must be recorded and be available for inspection. It is sufficient for this recording to be an email, signed document, notebook entry and officers should exercise their own judgement when recording decisions.

7.6 In this document, any reference made to the statutory officers include officers and staff authorised by them to act on their behalf.

7.7 The statutory officers are responsible for making sure that members of staff they supervise know about the provisions and obligations of this Scheme.

7.8 The Scheme of Delegation provides a member of staff with the legal power to carry out PCC functions of the Mayor. In carrying out these functions the member of staff must comply with all other statutory and regulatory requirements and relevant professional guidance including:

- a. Police Reform and Social Responsibility Act 2011 and other relevant legislation issued under the Act (care must be taken to ensure that the PRSR Act 2011 is read in conjunction with the York and North Yorkshire Combined Authority Order 2023)

- b. Policing Protocol Order 2023
- c. Financial Regulations
- d. Financial Management Code of Practice
- e. CIPFA Statement on the role of the Chief Finance Officer in public service organisations
- f. APACE Statement on the role of the Chief Executive
- g. Contract Procedure Rules
- h. The Combined Authority's employment policies and procedures
- i. The Data Protection Act 2018 and the Freedom of Information Act 2000
- j. Health and safety at work legislation and codes

7.9 This Scheme, will be reviewed as part of the review of the constitution. This scheme does not permit any person, with appropriate authority, to delegate that power further, without the prior consent of the person holding the original delegation.

7.10 To enable the Mayor to exercise their functions effectively they will need access to information, and officers and staff exercising PCC functions. This access must not be unreasonably withheld or obstructed by the Chief Constable, but must not fetter the Chief Constable's direction and control of their force.

Officer Scheme of Sub-Delegation – PCC and Fire and Rescue (FRA) Functions

This scheme of sub-delegation relates to PCC functions and FRA functions only and does not relate to any other functions of the Mayor, or Combined Authority functions which are not Police and Crime Commissioner (PCC) or Fire and Rescue (FRA) functions.

These arrangements are to have effect from 7 May 2024 until superseded by any subsequent scheme approved by the Mayor. This Scheme of Delegation replaces previous schemes in operation and reflects the obligations and needs of the Mayor.

Any reference to Finance Lead for the Office of Police, Fire and Crime is a reference to the Chief Fire Officer employed by Cleveland Police and Crime Commissioner who, by way of a collaboration agreement, provides Police, Fire and Crime financial services to the Combined Authority.

1. Introduction

1.1 This scheme of delegation provides authorised individuals with the legal authority to carry out specific Police and Crime functions (PCC Functions) and Fire and Rescue (FRA) Functions on behalf of the Mayor.

1.2 The PCC Functions are set out in Part 1 of the PRSA 2011) and the Schedules to it, as modified by the York and North Yorkshire Combined Authority Order 2023 (the 2023 Order) but are further specified, along with the FRA Functions, below.

1.3 The statutory powers of the Mayor to arrange for others to exercise PCC Functions are set out in section 18 of the 2011 Act. In addition, by virtue of section 14 of Schedule 1 of the 2011 Act, the Mayor may do anything which is calculated to facilitate, or is conducive or incidental to, the exercise of those functions, subject to other provisions in the 2011 Act and any other enactments concerning the exercise of PCC Functions.

1.4 With the exceptions set out in this paragraph and in paragraphs 1.5 and 1.6 below, the Mayor may delegate PCC Functions or FRA Functions to a Deputy Mayor for Policing and Crime or arrange for any person to exercise any PCC Function or FRA Functions subject to any statutory exclusion. The Mayor cannot delegate their PCC Functions to:

- A constable;
- The Metropolitan Police Area Mayor's Office for Policing and Crime (as defined in the 2011 Act);
- The Metropolitan Police Area's Deputy Mayor for Policing and Crime appointed by the Mayor's Office for Policing and Crime (as defined in the 2011 Act);
- A Deputy mayor under section 107C of the Local Democracy, Economic Development and Construction Act 2009;
- The Mayor of London;

- The Common council of the City of London;
- Any other person or body which maintains a police force;
- A member of staff of any of the above;
- The Combined Authority.

1.5 The Mayor cannot delegate certain PCC Functions to anyone else. These functions are:

- Issuing the Police and Crime Plan;
- Appointing, suspending and requiring the Chief Constable to retire or resign;
- Calculating the PCC component council tax requirement.

1.6 The 2011 Act also specifies those functions which, if delegated, can only be delegated to a Deputy Mayor for Policing and Crime, namely:

- Determining police and crime objectives;
- Attending the Police, Fire and Crime Panel;
- Preparing an annual report to the Police, Fire and Crime Panel.

2. General principles of delegation

2.1 This scheme of delegation provides authorised officers with the legal authority to carry out specific PCC Functions and FRA Functions on behalf of the Mayor. Throughout this scheme the Mayor expects that any person carrying out the Functions on the Mayor's behalf, or making any related decision, will comply with statutory and regulatory requirements and within policies and strategies approved by the Mayor and will take appropriate professional advice as necessary, particularly legal and financial advice and where appropriate, operational advice from the Chief Constable or Chief Fire Officer.

2.2 The Mayor expects anyone exercising delegated powers under this scheme to draw to the attention of the Mayor any issue which is likely to be regarded as novel, contentious or repercussive. In addition, the Mayor is ultimately accountable for the Police Fund, and for the Combined Authority's funds held for FRA Functions. Before any financial liability affecting the Police Fund that the Mayor might reasonably regard as novel, contentious or repercussive is incurred, prior written approval must be obtained from the Director of Resources. Delegations for such approval are set out in this scheme.

2.3 It is recognised that, unless a power or PCC/FRA Function of the Mayor must, as a matter of law, be exercised personally by them, these functions may be exercised by officers that have been given delegated authority to act on the Mayor's behalf. These delegations are designed to assist the mayor in the performance of PCC and FRA Functions.

- 2.4 For the avoidance of doubt, any of the Mayor's Functions may be exercised directly by the Mayor at any time, irrespective of whether those functions, or matters ancillary to them, have been delegated to any other person.
- 2.5 In the Mayor's absence or where specifically authorised to do so by the Mayor, a Deputy Mayor for Policing and Crime may exercise any of those functions (except those functions which cannot be delegated as set out in paragraph 1.5).
- 2.6 The Mayor, or the Deputy Mayor for Policing and Crime, if authorised to do so by the Mayor, may at any time issue specific delegations to any person to exercise any of the Mayor's PCC or FRA Functions (unless prohibited by law).
- 2.7 No decision will be taken on behalf of the Mayor unless the relevant person has the power to do so as set out under the terms of this scheme and in accordance with the officer scheme of delegation below. The Monitoring Officer is responsible for overall adherence to this scheme.
- 2.8 All decisions authorised officers make under delegated authority given to them must be recorded and be available for inspection by the Mayor.
- 2.9 The scheme is intended to complement the Financial regulations and the Contract Standing Orders and to be read in conjunction with the Scheme of Consent to the Chief Constable, the Chief Fire Officer's scheme of delegation which can be found at part 3 of this Constitution and any other relevant arrangements adopted by the mayor.
- 2.10 The Statutory Officers of the Combined Authority have a duty consistently to monitor the effectiveness of this scheme and to recommend changes, as necessary, to the Mayor. It will be reviewed on an annual basis by the Statutory Officers and the Chief Constable's Chief Finance Officer as part of the annual review of financial management and internal control as required by the Accounts and Audit Regulations 2015 and the Financial Management Code of Practice.
- 2.11 Anyone authorised to exercise delegated PCC or FRA Functions under this scheme may make such arrangements as are necessary so as to ensure that those PCC or FRA Functions can be exercised properly by other qualified and/or experienced people and will make appropriate arrangements to cater for their absence. Those proposed arrangements must be made known to the Head of Paid Service and Monitoring Officer and also the person who has the original delegation from the Mayor prior to making such a delegation.
- 2.12 To exercise the PCC or FRA Functions effectively the Mayor will be provided with timely and secure access to all relevant information and data, where a lawful basis and appropriate gateway exist.

3. Delegations to the Deputy Mayor for Policing and Crime (if appointed)

- 3.1 The Mayor may appoint a Deputy Mayor for Policing and Crime to exercise their functions (except those which cannot be delegated, listed in paragraph

1.5). The Deputy Mayor for Policing and Crime can give consent to an officer with sub-delegated authority to carry out any PCC or FRA Functions with the exception of those listed in paragraph 1.6) in their absence (defined as leave or illness).

3.2 Subject to the overriding requirements of paragraph 2.2, the Deputy mayor for Policing and Crime is authorised to exercise or perform any or all of the PCC Functions of the Mayor (and FRA functions, if they have the authority to do so), with the exception of those listed at paragraph 1.5, in the Mayor's absence or as authorised by the Mayor.

OPFCC Financial Regulations

- 1.1 These financial regulations form part of the overall control framework within which the Mayor of the Y&NYCA exercising their PCC functions and the Chief Constable for North Yorkshire operates. They aim to facilitate service delivery by setting out best practice for the administration of all financial matters throughout the organisations, thus ensuring a high quality of financial information and thereby enabling better decision making.

Matters which are of significant public interest (whether decisions of the Mayor, or of an Officer under delegated powers) must always be set out in a Decision Notice and published in accordance with the Scheme of Delegation & Consent.

Notwithstanding any provision in these Regulations, the Mayor expects the Chief Constable and persons exercising delegated powers, to draw to their attention issues which:

- are, or are in the professional judgement of the delegate likely to be, sensitive, contentious, novel or repercussive; or
- there is a real risk that the Combined Authority, the Mayor and/or the Chief Constable could be exposed to public criticism; or
- reveal serious weakness in the efficiency and effectiveness of policing; or
- it is otherwise considered prudent to do so.

and to seek the views of the Mayor on the issue in question.

- 1.2 The financial control framework can be seen as a hierarchy established as follows:

Financial Management Code of Practice

Scheme of Delegation

approved by the Mayor after consultation with the Executive Board

**Devolved
Resource

prepared and maintained by the Chief Constable's Chief Finance Officer in consultation with the Director of Resources.

All these control instruments will be reviewed as part of the annual review of the effectiveness of internal control mechanisms, as required by the Audit and Account (England) Regulations 2011.

- 1.3 The Scheme of Delegation defines the framework within which the powers to make decisions and/or take action are delegated to the appropriate level in the organisation. In particular the Scheme of Delegation requires all officers to act within the terms of these Financial Regulations in the exercise of their delegated powers.
- 1.4 The **Contract Regulations** define the correct procedures to be followed when the Mayor exercising their PCC Functions or the Chief Constable enter into any contractual arrangement and should be read in conjunction with these Regulations.
- 1.6 The **Devolved Resource Manual** is a comprehensive document detailing all aspects of financial systems and procedures and is designed for use on a day to day basis by staff involved in any aspect of financial administration. Any new or revised instructions on financial matters issued by the Director of Resources or the Chief Constable's Chief Finance Officer will be incorporated into the Devolved Resource Manual.
- 1.7 The **statutory responsibility** for the creation and maintenance of the financial control framework throughout the police service rests with the Y&NYCA's and Chief Constable's Chief Finance Officer/Director of Resources, as set out in the Financial Management Code of Practice. With the assistance of the Internal Audit Service, the Y&NYCA's and Chief Constable's Chief Finance Officer/Director of Resources will monitor adherence to these Financial Regulations.

It is the responsibility of the Chief Officer or Budget Holder (as appropriate) to ensure such persons are aware of this responsibility and are given training if appropriate to enable them to carry out these duties. Every agreement for such work should include adequate remedies to enable the Y&NYCA/Mayor or the Chief Constable to secure reimbursement if there is a failure to comply with these Regulations which leads to a financial loss for the Y&NYCA/Mayor of the Chief Constable.

- 4.10 The principles referred to in **Regulation 4.9** shall also be applied to any partnership or joint working arrangement with a third party whereby the Y&NYCA or the Chief Constable agrees to allocate to, or receive (and then administer) funds from, a third party under the terms of the partnership or joint working arrangement. No funds should be allocated to, or received from, a third party on this basis without the agreement of the Director of Resources or the Chief Constable's Chief Finance Officer, as appropriate, as to the financial systems and procedures that will be adopted either by the Y&NYCA, the Chief Constable or the third party where these differ from the normal arrangements as set out in the Devolved Resource Management manual. This Regulation shall be deemed to apply to any proposal where the Mayor receives and administers funds consequent upon applications for external funding by the Mayor and its partners.
- 4.11 Where appropriate, items requiring a decision, in line with the scheme of delegation, must contain a financial statement or appraisal setting out the full financial implications arising from any proposals contained within the report. Where such issues emanate from proposals from the Chief Constable, the financial statement or appraisal must be agreed by the Chief Constable's Chief Finance Officer, where appropriate in consultation with the Director of Resources in advance of the report being distributed to the appropriate decision making forum.

Such items requiring a decision may cover

- (a) a new policy
- (b) a variation of existing policy, or
- (c) a variation in the means or timescale for implementing an existing policy

which may increase (or decrease) net expenditure in the current or subsequent years.

- 4.12 Each Chief Officer and Budget Holder is responsible for the proper financial management of all resources allocated to them within their operational areas. They shall via the Devolved Resource Management manual devise and implement such controls and procedures, in consultation with the Director of Resources or Chief Constable's Chief Finance Officer as appropriate, as are necessary to carry out their duties and prevent loss, waste, fraud and other impropriety in relation to the assets or integrity of the Y&NYCA/Mayor.
- 4.13 Each Chief Officer shall agree with the Director of Resources or Chief Constable's Chief Finance Officer, as appropriate, budgetary control procedures for the resources (revenue or capital) allocated to their operational area and ensure it is enforced. This includes identifying Budget Holders for every revenue budget head and capital scheme, and their limits of authority (see **Regulations 6.9 and 7.11**). The same principle shall apply to any funds allocated to, or received from, a third party under a partnership or joint working arrangement (see **Regulation 4.10**).

- 4.14 Failure to comply with these Regulations, and any related instructions or guidance contained in the Devolved Resource Management manual may lead to disciplinary action being taken against individual officers.
- 4.15 The Director of Resources and Chief Constable's Chief Finance Officer shall be responsible for monitoring adherence with these Regulations.

5.0 MEDIUM/LONG TERM FINANCIAL PLANNING

Preamble

In order for the Mayor and the Chief Constable to be able to plan the implementation of the Police and Crime Plan, and determine priorities for the allocation of resources, they undertake medium/long-term financial planning. The Y&NYCA/Mayor and Chief Constable will do this by preparing a Medium-Term Financial Plan for incorporation in the statutory Policing and Crime Plan. In accordance with the Mayor, the Chief Constable and the planning framework, this Plan will also incorporate HR, Estates, Assets and Information Systems strategies and the MTFP will take account of the financial implications of those strategies.

In complying with the following regulations, officers shall have regard to any agreed strategic planning framework and/or planning timetable which from time to time may be agreed by the Mayor and Chief Constable.

Regulations

- 5.1 The Director of Resources and the Chief Constable's Chief Finance Officer shall, in consultation with the Chief Officers, secure the preparation of a Medium-Term Financial Plan for consideration and approval by the Mayor in consultation with the Chief Constable.
- 5.2 The Director of Resources in consultation with the Chief Constable's Chief Finance Officer shall determine the format of the Medium-Term Financial Plan and the timing of reports relating thereto, subject to any overriding requirements of the Mayor and the Chief Constable, but at the very least it shall be reviewed on a quarterly basis by the Mayor and the Chief Constable.
- 5.3 The Medium-Term Financial Plan shall include the financial effects of all known commitments and anticipated resourcing levels in a multi-year period, together with any proposals for significant changes to the level of existing services, or for developing new services.
- 5.4 For the purposes of this Section of the Regulations the duration of the 'multi-year' period shall be determined, from time to time, by the Mayor and Chief Constable based upon advice provided by the Director of Resources and the Chief Constable's Chief Finance Officer.

6.0 REVENUE BUDGET

Preamble

The Revenue Budget sets out the financial implications of delivering the statutory Policing and Crime Plan. Once approved it gives the power to incur expenditure, and collect income, and also provides the basis on which financial performance will be monitored. These Regulations provide a comprehensive framework for the preparation, monitoring and reporting of the Revenue Budget against these criteria.

These regulations seek to provide for those working for the Y&NYCA/Mayor exercising their PCC functions and Chief Constable to exercise as much day to day responsibility for financial management as possible within the framework of the statutory Protocol and agreed budget and rules of virement (if any). As described below, once an annual budget has been approved, only when significant changes of policy are envisaged or when significant sums are involved should approval be sought once more.

Regulations

Budgetary Control Principles

- 6.1 The Regulations in this Section are based on the following budgetary control principles established by the Y&NYCA/ Mayor.
- (a) any under or overspending of Revenue Budget at the financial year end may be carried forward subject to approval by the Mayor after consultation with the Executive Board.
 - (b) mechanisms shall be defined in the Devolved Resource Management manual and endorsed by the Director of Resources and the Chief Constable's Chief Finance Officer to ensure budgetary monitoring and control is carried out on a regular basis. The mechanisms will specify the manner in which the DRM applies to the business of the Mayor in exercising their PCC functions.
- 6.2 During the financial year the Mayor and Chief Constable will have overall responsibility for all aspects of their respective Revenue Budgets. To the extent therefore that any financial matter(s) arising during a given financial year cannot be resolved within the OPFCC or the Chief Constable, using the powers/responsibilities defined in this Section of the Regulations, such matter(s) shall be brought to the attention of the Chief Constable's Chief Finance Officer and the Director of Resources at the earliest opportunity. Where, in the professional opinion of the relevant Chief Finance Officer/Director of Resources the sums are considered to be significant, the details shall be reported to the Mayor or the Chief Constable.

Structure of the Revenue Budget

Budget Holders will be notified of budget allocations, as soon as practical following the fixing of the Precept and no later than the day before the start of the new financial year to which they apply.

The Chief Constable's Chief Finance Officer will maintain a schedule of Budget Holders and their approved delegated budgetary amount, which will be updated from time to time during the year as budget amendments are agreed.

Setting a Budget/Precept

- 6.4 As soon as practicable following the start of the financial year and in consultation with the Chief Constable's Chief Finance Officer, the Director of Resources shall specify the process to be followed for the preparation of the following years Revenue Budget and the timing and format of reports relating thereto, subject to any overriding requirements of the Mayor.
- 6.5 The Director of Resources shall be responsible for submitting any reports regarding the overall Revenue Budget of the Mayor that will enable the Mayor to comply with their statutory responsibility to determine an annual Precept. These will include a review of the robustness of estimates and the appropriateness of the level of reserves. Once the Precept has been determined by the Mayor, it shall be the responsibility of the Director of Resources to notify the collecting authorities.
- 6.6 As part of the process and in advance of approving the overall Revenue Budget the Chief Officers, in consultation with the Chief Constable's Chief Finance Officer and the Director of Resources, shall define the arrangements whereby each Budget Holder prepares its own service plan and budget for consideration by the Chief Constable; these arrangements will be so defined as to fulfil the functions referred to in **Regulations 6.3, 6.4 and 6.5**.

Incurring expenditure/collecting income

- 6.7 From the start of each financial year subject to **Regulation 6.3**, expenditure may be incurred and income collected by Budget Holders within the overall approved Revenue Budget.
- 6.8 Commitments on behalf of the Mayor and the Chief Constable to spend shall only be made against approved budgets in accordance with **Regulation 6.3** and in accordance with the purposes for which the budget was established. Any significant commitment to continuing liabilities (including establishment changes) which will increase the budget provision in future years, or any proposed change in policy likely to affect the current approved budget and/or the Financial Forecast

(see **Regulation 5.3**) shall be subject to the prior approval of the Mayor. Such proposals may relate to expenditure and/or income and this should be made explicit in any statement of financial implications (see **Regulation 6.2**).

- 6.9 The Director of Resources and the Chief Constable's Chief Finance Officer are authorised to accept income, grants, offers of sponsorship and gifts for police purposes on behalf of the Mayor and the Chief Constable respectively provided that decisions taken in this regard are in accordance with the law and with the agreed policies on Income Generation and Cost Recovery, which the Mayor will review annually in consultation with the Executive Board.
- 6.10 The Director of Resources and the Chief Constable's Chief Finance Officer are authorised to give approval to charge for or not to charge for policing services to external bodies in accordance with the law and with the agreed policies on Income Generation and Cost Recovery, which the Mayor will review annually in consultation with the Executive Board.

- 6.14 In accordance with the requirements of the Accounts and Audit (England) Regulations 2011 in the context of the preparation of final accounts, with the assistance of all Chief Officers the Director of Resources and Chief Constable's Chief Finance Officer shall each report to the Mayor and the Chief Constable respectively on the outturn of income and expenditure, as soon as practicable after the end of the financial year.

7.0 CAPITAL PROGRAMME AND PLAN

Preamble

Expenditure will not be incurred against draft schemes.

This Section of the Regulations refers to the arrangements under which Budget Holders shall undertake the procurement of the goods and services they require. These Regulations should be read in conjunction with the **Mayor's PCC Contract Standing Orders**, which describe in detail the procedures officers must follow when procuring the required goods and services. In addition, these regulations should be read in conjunction with the **PROPERTY PROCEDURE RULES** which describe in detail the procedures officers must follow when considering acquiring, disposing of or redeploying land and buildings.

Wherever possible and appropriate, Budget Holders should seek to complete a procurement process and enter into a contract for the supply of goods or services, rather than complete a one off purchase. This will benefit NYP and the Budget Holder and other NYP Budget Holders who may require access to similar goods or services in the future.

Responsibilities of a Budget Holder

These cover procedures for contracts in excess of £50,000. These regulations do not refer to contract exemptions (except Single Tender Actions) and variations, extensions or terminations of contracts. These will be authorised in accordance with the NYP financial limits in the Mayor's PCC Contract Standing Orders.

Where the contract value is less than £50,000 the NYP P2P team will advise the Budget Holder as required on the appropriate procurement process.

8.3.3 The Mayor requires that before commissioning in house procurement activity for goods services and/or works, approval is required by the budget holder where the anticipated value is up to £50,000.

8.3.4 The Mayor does not mandate the completion of a procurement process summary for contracts subject to an internal procurement process, but budget holders are encourage to consider whether it would be good practice to prepare a summary to document the procurement process.

8.3.5 Contracts in respect of which expenditure is less than £50,000 will be signed by:

- the budget holder where the terms and conditions are standard North Yorkshire Terms and Conditions;
- the Force Solicitor where the Terms and Conditions are non-standard.

 - (c) in the case of a proposed disposal of land and/or buildings follow the process in Rule 8 of the Property procedure Rules.
- 9.2 The procedures defined in the **MAYOR'S PCC CONTRACT STANDING ORDERS** for the procurement of goods and services apply to the disposal of any assets of the Mayor, other than property. In particular no quotations or tenders for other than the highest price shall be accepted without reference to **Contract Standing Orders** or **Rule 8.1.4 of the Property Procedure Rules if it relates to the disposal of property**.

11.0 POLICY ON FINANCIAL PROVISIONS AND RESERVES

Preamble

The Mayor maintains provisions and reserves to ensure a sound financial position for North Yorkshire Police. The overriding aim is to ensure that, within the budget, the maximum amount of funding is available to deliver policing. To this end, the levels of provisions and reserves are regularly reviewed to ensure that funding is directed to service use rather than being tied up unnecessarily in balances. Retaining reserves is a useful and considered tool which enables a sound financial position to be maintained and which can be used to reduce or negate the need for higher cost funding alternatives, i.e. borrowing.

The way in which provisions and reserves are managed and the distinction between them is determined by Accounting Standards.

The Mayor has a Policy on Financial Provisions and Reserves which is reviewed annually.

The levels of financial provisions and reserves are formally reported to the Mayor in quarterly budget monitoring reports and as part of the Annual Statement of Accounts.

In addition to arrangements for the key aspects of financial administration (i.e. Revenue Budget, Capital Plan and procurement) there are a range of other financial matters that require specific Financial Regulations. These are covered in the remaining sections of this document.

The Mayor's Fire and Rescue Financial Regulations

1.0 INTRODUCTION

- 1.1 These **Financial Regulations** form part of the governing documents approved by the Mayor in relation to their PCC functions. These regulations will be reviewed on an annual basis to ensure they remain timely and relevant. Subsequent changes will be submitted to the Executive Board for approval.
- 1.2 The s4A Fire and Rescue Authority was created following the Statutory Instrument 2018 No. 970 and came into force on 15 November 2018. The s.4A FRA is a fire and rescue authority under the Fire and Rescue Services Act 2004 and has a statutory duty and electoral mandate to ensure an efficient and effective fire and rescue service. The s. 4A FRA was referred to as Police, Fire and Crime Commissioner ("PFCC" or "Commissioner") for North Yorkshire, however, with effect from 7 May 2024, the fire and rescue service is known as the Y&NYCA FRA, overseen by the Mayor of the Y&NYCA, as set out in the Scheme of Corporate Governance.
- 1.3 These regulations apply to all staff in the Y&NYCA working wholly or partly in relation to the Mayor's fire and rescue functions.
- 1.4 The Introduction to Part 9 provides financial definitions for terms used within these regulations.
- 1.5 The Director of Resources of the Y&NYCA has a personal fiduciary duty by virtue of their appointment as the person responsible for proper financial administration under the Fire and Services Act 2004. This includes requirements and formal powers to safeguard lawfulness and propriety in expenditure (section 114 of the Local Government Finance Act 1988, as amended by regulation 6 and the schedule to SI 2018/226).
- 1.6 The Director of Resources has a fiduciary duty to the local taxpayer as they have a responsibility for securing the efficient use of public funds (which will include revenue derived from the fire precept).
- 1.7 The statutory responsibilities of the Director of Resources of the Y&NYCA are set out in Part 8 of the Local Government Finance Act 1988. The qualifications set out in section 113 of the Local Government Finance Act 1988 apply to the Director of Resources. The Accounts and Audit Regulations 2015 impose further responsibilities. Taken together, and considered in the context of the Fire and Rescue Services Act 2004, these mean that the Director of Resources of the Y&NYCA is responsible for:

- ensuring that the financial affairs of the Mayor are properly administered and that the financial regulations are observed and kept up to date;
- ensuring regularity, propriety, feasibility and value for money in the use of public funds;
- ensuring that funding required to finance agreed programmes is available from central Government funding, business rates, precept, other contributions and recharges;
- reporting to the Mayor, the Police, Fire and Crime Panel and to the external auditor any unlawful, or potentially unlawful, expenditure by the Mayor or officers of the Y&NYCA/Mayor;
- reporting to the Mayor, the Police, Fire and Crime Panel and to the external auditor when it appears that expenditure is likely to exceed the resources available to meet that expenditure;
- advising the Mayor on the robustness of the budget and adequacy of financial reserves;

- liaising with the external auditor;
- advising the Mayor on the application of value for money principles by the fire and rescue service to support the Mayor in delivering efficient and effective financial management;
- advising, in consultation with the statutory officers, on the safeguarding of assets, including risk management and insurance.

1.8 The Director of Resources of the Mayor has certain statutory duties which cannot be delegated, namely, reporting any potentially unlawful decisions by the Mayor on expenditure and preparing each year, in accordance with proper practices in relation to accounts, a statement of the Mayor's accounts.

1.9 The Director of Resources is the Y&NYCA's professional adviser on financial matters. To enable them to fulfil these duties and to ensure the Mayor is provided with adequate financial advice, the Director of Resources:

- 3.2. For works, goods or services not available from an existing contract, the acceptance of quotations and bids will be based on the principle of best overall value for money, i.e. the most economically advantageous offer. Criteria for the award of contracts shall be recorded in advance of the invitation and strictly observed by officer's evaluating the bids. The criteria may include cost and qualitative elements and shall take into account whole life costs. The evaluation process must be objective, systematic, thorough and fair.
- 3.3. Evaluation models shall generally be weighted such that the overall percentage score allocated to cost is not less than 50%. In exceptional circumstances the Regional Procurement Director or his/her deputy may agree a different cost/quality ratio.
- 3.4. The table below describes the procedure and authority levels dependent on the estimated value of the procurement.
- 3.5. Estimated value is deemed to be the aggregate cost, in any Force and any PCC or the Region that is reasonably anticipated over the lifetime of the provision. If the lifetime is unknown, then the aggregate cost should be based on 48 months.
- 3.6. Requirements must not be disaggregated in force and PCC or in the region in order to avoid competitive procurement under any circumstances.
- 3.7. The authority levels shall apply to variations to contract, i.e. any additional costs resulting from the variation must be aggregated with the original contract value for the purposes of authorisation.

3.8 Where a procurement is deemed novel, contentious or repercussive it should be notified to the PCC by the budget holder to ensure authority to proceed to full procurement.

3.9 Subject to point 3.8 of these standing orders, authority to authorise the Regional Procurement Team to proceed at stage one of the procurement process is governed by local Financial Instructions. This does not affect the authority levels detailed at 3.10 of these standing orders.

5. EXCEPTIONS TO NORMAL PROCEDURES/SINGLE TENDER ACTION

5.1. Exceptions

5.1.1. All exceptions to normal procedures must be approved in accordance with the arrangements set out in the Regional Procurement Policy and Procedures for local and collaborative contracts.

5.2. Single Tender Action (STA)

5.2.1. STA should only be used in very exceptional circumstances. The Chief Constables and Chief Executives or their delegated authorities will consider requests for exceptions to normal procedures under the following circumstances;

- (a) Where it can be evidenced that only one supplier is able to carry out the work or service or to supply goods for technical reasons or because of exclusive rights;

- (b) Extensions to existing contracts where there is a genuinely justifiable case to use an existing contractor/supplier to maintain continuity of supply or site experience;
- (c) The contract has been classified as secret by a Chief Officer making the use of a particular contractor essential or a limited competition to a select list of contractors and the avoidance of advertising requirements in the public domain;
- (d) The contract is required so urgently that competition is impracticable. For example a genuine unforeseeable operational need arises. However failure to take action within appropriate timescales does not constitute grounds for an urgency exception.

5.2.2. Any STA up to £50,000 shall be authorised in accordance with local Financial Instructions. It is the responsibility of the authoriser to satisfy themselves that the grounds in which the exception has been sought is justified and that all associated spend must be aggregated with the original contract value or future contract value for the purposes of authorisation. It should be noted that where grounds of urgency has been selected submissions will be subjected to further scrutiny to ensure compliance.

5.2.3. Any STA over £50,000 shall be requested via the Regional Procurement Director and the appropriate Chief Officer/s or Chief Executive in accordance with local Financial Instructions. All associated spend must be aggregated with the original contract value or future contract value for the purposes of authorisation. The formal procedure shall be described in the Regional Procurement Policy and Procedures.

5.2.4 Where it becomes apparent before an order is placed and accepted by the supplier that the figures quoted and appropriately approved in an STA are understated by an amount that is more than 10% of the original STA value, then the STA will need to be returned (with an explanation for the increase) through the appropriate channels for consideration of further approval, based on the revised value of the STA.

This notice will automatically generate where applicable, an advert on the GOV.UK Contracts Finder and an advert in the FTS, meeting the Authority's obligation to the Government's requirements to advertise the procurement of goods, services or works.

2.6 No tendering procedure is required in respect of:

- Contracts for the purchase of goods of which tenders have been obtained from a purchasing consortium or other recognised Government agency (such as Crown Commercial Services) where the Authority has been identified in any previous procurement exercise undertaken by the consortium or agency;

- Contracts for the supply of goods which Government Departments have specified as the type of goods which should be used for a particular purpose and only one supplier of such goods exists;

- Subscriptions or fees to Government departments and/or other official organisations such as NFCC, FTA, CIPFA, etc., this list is not exhaustive.

3. Exemptions to the Contract Procedures

3.1. Exemptions to the contract procedures are permitted where it can be proven that it is inefficient or uneconomic to comply with the above requirements. A Single Tender Action must be completed. Exceptions to normal procedures for contracts of a value less than £10,000 must have the approval of the Budget Holder or a person who is authorised by the Budget Holder to provide such an approval. Exceptions of a value above £10,000 but below £50,000 can be approved by the Enable NY Procurement Manager and all those above £50,000 must have the approval of the Director of Resources. Examples are detailed as:

- The goods, services or works are unique and provided by only one organisation with no reasonably satisfactory alternatives available;

- The procurement involves the purchase of proprietary or patented goods or services obtainable from one firm, are sold at a fixed price and no reasonably satisfactory alternative is available;
- The goods, services or works constitute an extension of an existing contract which is allowed within the contract terms, or the goods/materials, services or works consist of repairs to, or the supply of parts for, existing proprietary plant or equipment and/or where the initial contract value or specification is not fundamentally changed or increased;
- That new services or works are required which are a repetition of services or works carried out under an original contract whilst a new procurement is underway;
- That goods are required as a partial replacement for, or addition to, existing goods or installations and obtaining them from another source would result in issues with compatibility or disproportionate technical difficulties in operation or maintenance;
- Tenders are invited on behalf of any consortium or collaboration, of which the Y&NYCA exercising their Fire and Rescue functions, is an identified member, in accordance with any method adopted by that body. Where however, an Officer invites tenders on behalf of the consortium the receipt, opening and acceptance of tenders must comply with the Fire and Rescue Financial Regulations and Finance Procedures or any overriding National or European Union legislation;
- The goods, services or works are of a sensitive nature (such as security) where publication of the tender documents would constitute a security breach and undermine the effectiveness of the final product;
- A Single Tender Action may be considered to have the approval of the Director of Resources if the action is relevant expenditure of value less than £50,000 and one of the following types:
 - (a) An annual maintenance/licence fee for a piece of equipment or software that has been purchased previously, to cover the second or subsequent years following purchase, when there is only one UK supplier of the maintenance/licence services for the make/model of equipment or software. This exemption does not apply to the first year's maintenance/licence fee when it is purchased with the equipment software.
 - (b) Servicing or repair charges of parts for a piece of equipment or a piece of software that has been previously purchased when there is only one UK supplier of the servicing or repair services or parts for the make/model of the equipment or software. This exception does not apply to upgrades.
 - (c) Specialist Training Courses when:
 - There is only one UK supplier of the training services; or
 - Where the Y&NYCA has already purchased the relevant equipment or software for which training is required and it is considered by the budget holder to be appropriate to use the same supplier for training; or
 - Where the training forms part of a previously approved course of training which covers a number of years and which has already been commenced with the supplier. For clarity, this exemption does not apply to the initial selection of the training

provider, only to the procurement of the second and subsequent training sessions.

This exemption does not apply to training purchased at the same time as the equipment or software.

3.2 An exception may be considered to have the approval of the Director of Resources if the expenditure is less than £50,000 and is one of the following :

- Purchase of Licences (following an initial procurement);
- Performing Rights Society;
- Phonographic Performance Limited;
- Copyright \ Licencing Agency Limited;
- TV Licencing (TV global licence).

3.3 No exemptions will be granted which would result in a breach of European or United Kingdom law. The Budget Co-ordinators must obtain approval to apply ANY exemption to the contract procedures outlined by submitting a request to the Enable NY Procurement Department completing a Single Tender Action so that the requirement can be assessed and presented to the relevant Function Head and consultation and approval can be sought from the Director of Resources.

3.4 For procurement projects over £10,000 for all goods, services and works, the Monitoring Officer or the Director of Resources must approve any exemption, prior to any commitment being given by the Authority to any organisation. The Enable NY Procurement Department will keep a register of exemptions granted detailing the nature and value of the contract, the circumstances justifying the exemption and the name of the contractor awarded the contract.

4. Advertising of Contracts

4.1. In accordance with the Public Procurement Regulations 2015, the Authority shall publish details of all forthcoming contract award opportunities whose value exceeds £30,000 (incl VAT), in total over a four year period, on Contracts Finder.

Where the above forthcoming contract award opportunity has been advertised in the public domain or to any class or description of economic operators which is potentially open-ended, with a view to receiving responses from economic operators who wish to be considered for the award of the contract, it must be advertised on Contracts Finder within 24 hours of such advertising being made.

4.3. In accordance with the Public Contracts Regulations 2015, and where applicable the Concession Contracts Regulations 2016, the Authority shall publish in the FTS all forthcoming contract award opportunities whose value exceeds the financial thresholds stated in these Regulations for their application and shall cause these contract award opportunities to also be published on Contracts Finder within 24 hours of being entitled to do so under these Regulations.

This must be with the prior knowledge and approval of the Enable NY Procurement Department via the procurement service level agreement.

- 5.2. In making enquiries:
- No information shall be disclosed to one supplier which is not then disclosed to all those of which enquiries are made, or which are subsequently invited to tender or quote;

All requests for information or quotations either verbal or written must include the words “without obligation” to confirm that the request is for information only;
 - A record, including notes of any meetings held, the responses and the names of all individuals present shall be kept on the files which are associated with that contract.
- 5.3. Before obtaining quotations or tenders for a procurement estimated at a value of £30,000 (incl VAT) or more, a detailed specification must be prepared by the Budget Co-ordinators, Budget Holder or the project manager acting on the Budget Coordinators behalf. The specification is a description of the goods, services or works that the Authority wishes to procure.
- 5.4. All contracts should incorporate key performance indicators, acceptance criteria and staged payments where appropriate, which should be included in any invitation to tender documentation and also be part of any final contract documentation.
- 5.5. All contracts with a value exceeding £1,000,000 shall have a performance bond and be formed by seal unless the Head of Paid Service or Chief Fire Officer, after consultation with the Director of Resources provides his express written consent that it is not required.
- 5.6. The specification should also consider the life-cycle of the goods, works or services, including any ongoing management costs or arrangements, support and maintenance and disposal or termination at the end of a contract period. This may also include contract performance measures, such as performance bonds, performance clauses, penalties/damages and regard share contracts.

- 6.2. All forthcoming tender award opportunities shall be advertised in accordance with paragraph 4.
- 6.3. If a supplier is asked to submit a quotation or tender, they will be required to provide sufficient information for Officers to conduct a due diligence assessment on their capacity, capability and financial standing to undertake work on behalf of the Authority. Pre-Qualification Questionnaires where applicable will be issued to help achieve this.

7. Invitation and Submission

- 7.1. Instructions must be issued to those organisations invited to submit a quotation or a tender, asking them to complete and return the required documents by a specified date and time. Tenders will be carried out electronically via the Bluelight e-Tendering Portal <https://bluelight.eu-supply.com/>.
- 7.2. Invitation to tender documents will usually contain the following information:
- Letter of invitation and instructions about the process;
 - Form of tender;
 - Specification and/or schedule of rates;
 - Contract terms and conditions;
 - Any relevant supporting information (drawings, maps, etc.);
 - All tender submissions shall be evaluated on the basis of quality and price, and the invitation to tender documentation must clearly specify the evaluation criteria together with its accompanying scoring methodology.
- 7.3. Completed tenders **MUST** be submitted on the Bluelight e-Tendering Portal by the date and time specified. Late tenders will not be accepted. Qualified tenders will also not be accepted.
- 7.4. It is important that organisations are given sufficient time to adequately research and compile their bids. This includes enough time to seek accurate estimates from their sub-contractors. The Mayor's minimum time for return of priced tenders for below FTS procurements is 14 days for date of issue, although best practice suggests that at least 21 days should be allowed. Longer periods can be considered if the nature of the procurement is complex or of a nature where increased time to develop bids will yield a more effective outcome for the Mayor. All procurements which exceed the FTS thresholds must use the timescales outlined in the Regulations.
- 7.5. The specified time to submit tenders/quotations may be extended in exceptional circumstances provided that all organisations involved in the process are notified of the revised date and time and no potential supplier is disadvantaged by the deadline extension.

8. Opening of Tenders

- 8.1. Electronic tenders must be delivered to the designated Bluelight eTendering Portal by bidders prior to the stated closing date and time set out in the Invitation to Tender. All electronic tender submissions are retained in a virtual 'locked box' until the designated opening time. The Bluelight e-Tendering Portal will hold each submission unopened and with no reference to the contents of the response until the 'box' is opened. An activity log within the procurement portal provides a full audit trail logging any activity, recording the name of the person accessing the box, data and time and any activity undertaken.
- 8.2. The Procurement Department will maintain a record of tenders on the Bluelight eTendering Portal and in compliance with the Local Government Transparency Code 2015.

9. Evaluation of Tenders and Quotations

- 9.1. An evaluation must be made of tenders submitted, comparing the tender sum against the estimate for the goods, services or works prepared in advance of the suppliers being invited to tender. Where errors or discrepancies are found that may affect the tender sum, the tenderer may be notified and afforded an opportunity to confirm the submitted sum without amendment, amend their bid to correct an arithmetical error, or withdraw their bid. A written record of any revisions or withdrawals must be maintained.
- 9.2. The Y&NYCA evaluates and awards contracts to the suppliers it considers offers the best value having due regard to both price and quality factors. This is sometimes referred to as the 'most economically advantageous tender' and provides for the contract to be awarded to the supplier best able to meet the tender specification.
- 9.3. To ensure fairness the quality criteria (or award criteria) and evaluation method must be clearly defined in the tender documentation. Award criteria will vary depending on the type of contract. Some examples of criteria included are:
 - Technical suitability;
 - Financial viability and stability;
 - Quality systems;
 - Customer care and after sales service;
 - Experience and past performance;
 - Aesthetic and functional characteristics;
 - Delivery date and other management factors;
 - Commitment to Equality and Diversity and Sustainability;
 - The economic, social and environmental well-being of an area (social value).
- 9.4. Where tenders exceed the Budget Co-ordinators financial authority or the approved financial budget thresholds, confirmation of funding must be confirmed from the Treasurer before any further proceedings can be taken.

10. Post Tender Considerations

- 10.1. After the receipt of tenders, Budget Co-ordinators may need to contact tenderers to clarify technical and contractual information as part of the evaluation process. Any such communication must be confidential and entered into utilising the <https://bluelight.eu-supply.com/> message system. Should this not be available then advice should be sought from the Enable NY Procurement Department, or a person acting with the authority of the Budget Holder, on how to proceed so that an audit trail can be maintained.
- 10.2. Any negotiations with a supplier to discuss the pricing or any other allowable aspects of the bid submitted should be undertaken only by the Enable NY Procurement Department, or a person acting with the authority of the Budget Holder, in the presence of at least one manager who is not involved in the project, and will act as an independent observer.

11. Contract Awards

- 11.1. Before a Tender is accepted, and the resulting contract signed, a Contract Summary Report will be completed by the Enable NY Procurement Team (over £50,000 procurements). The award of a contract shall be approved in accordance with the following:
 - By the Budget Holder or those with the delegated authority of the Budget Holder for contracts with a value of up to £50,000;
 - By the Budget Co-ordinator for contracts with a value of up to £250,000;
 - By the Director of Resources for contracts with a value in excess of £250,000.
- 11.2. The successful supplier should be promptly notified that its tender has been accepted by the Authority, and a contract issued for signature. Once it has been signed by the supplier, it should be signed by the Authority in accordance with the following delegated authority:
 - By the Budget Holder or those with the delegated authority of the Budget Holder for contracts with a value of up to £50,000;
 - By the Budget Co-ordinator for contracts with a value of up to £250,000;
 - By the Director of Resources for contracts with a value in excess of £250,000.
- 11.3. All unsuccessful tenderers should be notified promptly in writing or via <https://bluelight.eu-supply.com/>. All documentation in relation to any quotation or tender exercise should be retained for a period of not less than seven years by either the Budget Co-ordinators, the Enable NY Purchasing Department or a person acting with the authority of the Budget Holder.

12. Corrupt Practices

- 12.1. In line with the Anti- Fraud and Corruption Policy and the Staff Code of Conduct Policy – Hospitality and Gifts, a clause must be inserted into every written contract ensuring that the Y&NYCA is entitled to terminate the contract so as to be able to recover from the contract supplier the amount of any loss resulting from termination:

- If the contract supplier has offered or given or agreed to give to any person any gift or consideration of any kind as an inducement or reward for doing or not doing anything related to the contract or another contract with the Y&NYCA;
- For favouring or not favouring any person in relation to such contract, or similar acts have been done by any person employed by the contract supplier or acting on their behalf;
- If the contract supplier or any person employed by them or acting on their behalf has committed an offence under the Bribery Act 2010 or any amendment of the act;
- For any fee or reward given, the receipt of which is an offence under the Local Government Act 1972.

13. Third Parties

- 13.1. Where it is appropriate for the Authority to purchase goods, services or works under a joint arrangement with a local authority, the prior approval of the Authority is required together with the Chief Fire Officer and the Director of Resources being satisfied that the procurement procedures of the partner authority are no less rigorous than these Contract Regulations.
- 13.2. Where a consultant, which could be an architect, has been engaged to purchase goods, services or works on behalf of the Authority, the following prior approvals are required as evidence that the Authority is satisfied that the procurement procedures of the consultant are no less rigorous than these Contract Regulations:
- By the Budget Holder or those with the delegated authority of the Budget Holder for contracts with a value of up to £50,000;
 - By the Budget Co-ordinator for contracts with a value of up to £250,000;
 - By the Director of Resources for contracts with a value in excess of £250,000.
- 13.3. Where a consultant, which could be an architect, has been engaged to purchase goods, services or works on behalf of the Authority, it shall be a condition of their contract that they shall:
- Observe the procedures prescribed within these Contract Regulations;
 - Produce on demand, all records maintained by them in relation to the contract;
 - On completion of a contract, transmit such records to the Director of Resources or the Monitoring Officer.

14. Assignment

- 14.1. In every written contract for the execution of works or the supply of goods or services the contract supplier shall be prohibited from transferring, assigning or novating directly or indirectly to any person or persons whatever, any portion of the contract without the prior written permission of the Y&NYCA. Sub-letting, other than that which may be customary in the trade concerned, shall be prohibited.

15. Sealed Contracts

- 15.1. All contracts and orders shall be made electronically or in writing and made in the name of the Y&NYCA.

16. Term of Contract

- 16.1. The term of the contract may be extended with the approval of the Budget Coordinators, if there is provision within the contract terms and conditions to extend and if confirmation of budgetary provision has been agreed by the Budget Coordinator or Enable NY Financial Services Team, Budget Co-ordinators must not approve their own contract extensions. If the contract has already been extended to the full extent within the provisions of the existing contract, it cannot be further extended.
- 16.2 The contract terms cannot be extended where this would result in the value of the contract exceeding the European Union procurement threshold, would make a fundamental change to the contract award previously made or extending the contract period not previously identified in the contract.
