

YNYCA Leadership Team (CALT)

This org chart shows the Combined Authority Leadership Team, whose roles and responsibilities include:

- Compliance with any statutory or administrative requirements relating to the operation of the Combined Authority in accordance with any delegations within the Constitution
- Strategic leadership of the organisation and its officers through ensuring we have the right resources in the right place and supporting and enabling teams to deliver the responsibilities of the CA.
- Overarching responsibility for delivering against the priorities within the Corporate Plan including the delivery of the Mayors vision for the region

(Note – these are non-political “Officer” roles)

Note:

- The Chief Fire Officer reports to the Mayor
- The dotted line shows how the CFO role reports within the YNYCA leadership team of officers
